## **Raidighi College Embarks on Second NAAC Cycle with Expert Guidance**

The Internal Quality Assurance Cell (IQAC) of Raidighi College organized a one-day orientation program to prepare for their upcoming second NAAC accreditation cycle. Recognizing the newly implemented NAAC guidelines, the program featured Dr. Swapna Banerjee, Director of IQAC at the University of Calcutta, as the keynote speaker.

The seminar drew a full house, with faculty and non-teaching staff members in attendance. Following the opening remarks by Principal Dr. Sasabindu Jana, Dr. Sudhu Sinha (TCS), Dr. Sisir Chatterjee (IQAC Coordinator), and Dr. Arunima Biswas (Jt. Coordinator), Dr. Banerjee delivered a comprehensive presentation.

Her insightful guidance focused on navigating the revised assessment framework and ensuring compliance with the new regulations. Demonstrating her commitment to the college's success, Dr. Banerjee not only offered comprehensive advice but also extended ongoing support. This included sharing her phone number, allowing faculty members to readily address any arising questions.

The afternoon session saw Dr. Banerjee conduct visits to various laboratories and departments within the college. This firsthand observation allowed her to provide targeted suggestions for improvement, tailored to the specific needs of each department.

Through this initiative, Raidighi College has taken a proactive step towards equipping its faculty and staff with the knowledge and strategies necessary to excel in their upcoming NAAC accreditation. Dr. Banerjee's expertise, combined with the college's dedication to continuous improvement, positions Raidighi College for a successful second NAAC cycle.
