

Sunderban Diwas- 2023

Raidighi College rose to the occasion as the West Bengal government marked Sundarbans Diwas on December 11th, 2023. Chosen as the host venue for Mathurapur Block 2's official program, the college buzzed with activity as faculty, students, and various committees, including IQAC and Green Club, joined hands to celebrate the unique ecosystem of the Sundarbans.

Leading the college's participation was Principal Dr. Sasabindu Jana, gracing the event as one of the main guests of honor. His presence underscored the college's commitment to the Sundarbans, a commitment further exemplified by the Department of Geography's meticulous Wall Magazine. Unveiled by Dr. Alope Jaldata, MLA of Raidighi Assembly, the vibrant display served as a powerful reminder of the region's beauty and diversity.

Beyond mere participation, Raidighi College actively contributed to the day's festivities. The Green Club, true to its name, ensured the campus grounds were adorned with greenery, reflecting the theme of the celebration. Meanwhile, various sub-committees worked tirelessly behind the scenes, ensuring the smooth flow of the event and catering to the needs of guests and attendees.

The Sundarbans Diwas at Raidighi College wasn't just a ceremonial affair; it was a vibrant tapestry woven from collective effort and shared passion. It became a platform for not only celebrating the Sundarbans, but also reaffirming the college's unwavering commitment to environmental awareness and its role in fostering a deeper understanding of this precious ecosystem. In the end, the day left an indelible mark, echoing not just on the college grounds, but in the hearts and minds of everyone who participated.
