

Awareness camp on Student Credit Card Scheme on 2nd January 2024

As the new year dawn breaks on January 2nd, 2024, Raidighi College ushers in financial awareness with an "Empowering Dreams: Student Credit Card Scheme Awareness Camp." Eager students huddle, not around bonfires, but around knowledge booths, dispelling myths and illuminating possibilities.

Interactive sessions dissect the scheme's intricacies, showing how to responsibly navigate loans, build credit scores, and fuel educational aspirations. Doubts melt away as experts clarify terms and address anxieties. Calculators click, charting individual futures, while success stories resonate – proof that the scheme can bridge financial gaps and ignite dreams.

The air crackles with a newfound sense of agency. Students grasp the potential to invest in their futures, from books to laptops, unburdened by financial strain. This isn't just an awareness camp; it's a seed planted, a future envisioned. As students step out, they carry not just knowledge, but the power to shape their own destinies, one responsible, calculated step at a time.
