

Microbiology Wall Magazine

Raidighi College's vibrant campus bloomed with scientific spirit on December 12th as the MBSI student unit proudly held its inauguration. Graced by esteemed guests – Principal Dr. Sasabindu Jana, IQAC Coordinator Dr. Sisir Chatterjee, Jt. Coordinator Dr. Arunima Biswas, and HoD Dr. Shakuntala Ghorai – the event brimmed with the promise of microbial exploration.

The inauguration wasn't just a ceremony; it was a showcase. A student-created wall magazine, ablaze with color and information, unfurled the theme – "Biofuels: Powering the Future, Microbes: Nature's Tiny Titans." Posters danced with the potential of algae and bacteria, infographics explained the magic of bioethanol, and articles shed light on the microscopic heroes driving a sustainable future.

Dr. Jana's inspiring words ignited a spark in the young minds, urging them to delve deeper into the world of microbes and biofuels. The room thrummed with a nascent passion, a pledge to champion environmental solutions and harness the power of the unseen.

The MBSI unit's inauguration wasn't just about the present; it was a window to the future. It marked the birth of a vibrant community, a platform for young minds to explore, innovate, and lead the charge towards a greener tomorrow. From walls adorned with scientific dreams to eyes twinkling with newfound purpose, the event resonated with the promise of a future powered by microbes and fueled by passion.
