Yoga Day Celebration by NSS

(Date: 21/06/2018)

In commemoration of International Yoga Day, the two National Service Scheme (NSS) units of Raidighi College organized a joint seminar and workshop. Over 80 students and volunteers participated in the event, actively engaging in learning about the benefits of yoga for both physical and mental well-being.

Mr. Kamal Krishna Khanra, the college's Physical Instructor, took the lead, demonstrating various yoga postures and explaining their individual benefits. He emphasized the positive impact of yoga on physical health, highlighting its ability to improve flexibility, strength, and overall well-being.

Dr. Amitava Moitra, Program Officer of NSS Unit I, delved into the history of yoga, drawing connections to the ancient Vedic period. He explained how yoga practices, including postures and breathing exercises, were used by people in those times to maintain their physical health and well-being.

Suvankar Ghosh Roy Chowdhury, Program Officer of NSS Unit II, focused on the mental health aspect of yoga. He discussed the potential of yoga practices to reduce stress, anxiety, and depression, promoting a sense of inner peace and calmness.

International Women's Day by Women Cell, Cultural SubCommittee and IQAC

(Date: 08/03/2019)

International Women's Day was observed on 8th March 2020 by Women Cell, Cultural SubCommittee and IQAC. In the morning Pravat Pheri was arranged by the committee members to promote awareness regarding the rights and equality of women. Students marched through the locality near college premises with placards to spread message of empowerment of women and girls everywhere. Afterwards all gathered in Hall 1 of Swami Vivekananda Bhawan and one mesmerizing event started. The event was initiated through thought provoking deliveries of IQAC members and NSS Program Officers. The talks elaborated on the global scenario of women and girls facing multiple obstacles to achieve gender equality. Speakers emphasized on these obstacles as these are multifaceted, even integrated in law and in culture. They narrated how women and girls are undervalued globally and women get paid less, they work more, they have less choices to make and many experience several forms of violence at home and in public spaces. Conveners of Cultural Subcommittee, Mr. Suvankar Roychowdhury and Mr. Bidyut Saha, beautifully coordinated the event. Students presented Rabindra Sangeet, drama and dance performances.

Demonstration of Yoga Postures in Special Camp organized by NSS Unit I and II

(Date: 28/03/2019)

Special Camp for the local community was organized by NSS Unit I and II during March 25th to 28th, 2019. The event was coordinated by NSS Program Officers Dr. Amitava Moitra and Mr. Suvankar Ghosh Roychowdhury. NSS Advisory Committee members Mr. Biduy Saha and Miss Rukshana Irani also mentored the event. During the camp, NSS student Volunteers demonstrated several Asanas and Yoga postures to the local school children at Kumropara, Raidighi. This session was guided by the Physical Instructor of our College, Mr. Kamal Krishna Khanra. Mr. Khanra provided appropriate guidance to the volunteers, ensuring proper technique and safety during the Yoga demonstration. The events of NSS camp aimed to promote health and wellness practices within the local community specially school children and also aimed to spread positivity through the volunteers' skills to benefit others.

Yoga Day Celebration organized by Department of Physical Education

(Date: 21/06/2019)

Yoga Day Celebration was organized by Physical Education department on 21st June 2019. The event aimed to promote the benefits of yoga – physical, mental, and spiritual – among students and the wider community. The participants demonstrated yoga postures and exercises. The event not only showcased participants' dedication but also highlighted the significance of yoga for achieving a mind-body balance, aligning with the college's commitment to holistic well-being. The event was coordinated by our Physical Instructor Mr. Kamal Krisna Khanra. Our Principal, Dr. Sasabindu Jana, took part in the event, demonstrating his support for yoga and its benefits. He encouraged every participant, which likely boosted morale and solidified the college's commitment to promoting yoga.

Shikhak Dibas Organized by Department of Microbiology
(Date: 09/09/2019)

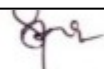

Students of the department of Microbiology paid tribute to their teachers through the event of Shikhak Dibas on 9th September 2019. The departmental students took the initiative to plan and execute the celebration, demonstrating their enthusiasm and respect for their teachers. The activities – speeches, performances, skits, and presentations – were all designed to express gratitude and appreciation for the faculty's dedication. Many alumni students were present in the event to encourage the regular students. Students from other Biological Science departments also gathered to celebrate the event. Departmental students greeted their teachers with flower and token of appreciation. Departmental Head Dr. Arunima Biswas congratulated the students and motivated the students with heartfelt speech. Semester 3 Hons student Durbadal Purkait presented Rabindra Sangeet and Najrul Geeti was presented by Semester 3 General student Arpita Mondal amongst other performers. The event not only showcased student talent but also strengthened the bond between students and teachers.

Poster making competition and extempore competition on the theme 'Ban Plastic'

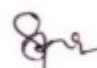

Date: 27th September 2019

On 27th September 2019 department of Microbiology organized poster making competition and extempore competition for students on the theme 'Ban Plastic' to aware the students of the menaces of plastics and spread the message across their extended community. Students from different science departments took part in the event and prepared hand made posters on various global issues related to plastic production, its ubiquitous availability and negative impacts. Sheer volume of plastic materials produced every year globally ultimately results in deposition in the deepest ocean trenches to the highest of mountains causing widespread environmental challenges. Animals mistake them for food leading to entanglement in the digestive system and then causing injury, even death of the animal after breakdown of the material into microplastics. The massive amount of plastic waste takes hundreds of years to decompose. Students in their extempore speeches also indicated some plausible solutions like ban on single use plastics bags, encouragement of use of reusable shopping bags, exploring biodegradable or decomposable bags etc. Overall the sessions were quite brainstorming and participants actively interacted with the presenting students.

World Heart Day 2019

Date: 29-09-2019

Department of Food and Nutrition observed World Heart Day on 29th September 2019. The aim of the event was to spread awareness about the importance of keeping the heart fit as it's one of the most important organs. This year's theme was 'My Heart, Your Heart' emphasizing the importance of taking care of not just our own hearts but also the hearts of the people around us. The event focused on staying active with regular exercise, maintaining a healthy heart and avoiding smoking. Students participated in an extempore competition organized by the department. The event started from 11am onwards at S. R. Basu Memorial Conference Hall. Departmental faculties Ms Rushana Irani, Dr. Arvinda Shaw and others were present. IQAC Jt Coordinator Dr. Arunima Biswas's welcome address boosted every participant.

Annual Cultural Meet by Cultural SubCommittee

(Date: 29/02/2020-04/03/2020)

Annual Cultural Meet of Raidighi College was organized by Cultural SubCommittee on 29th February in 2020. This event showcased the talents, creativity and promoted cultural diversity of the locality. Various presentations enriched the event like Rabindra Sangeet, Najrul Geeti, Adhunik, Folk Song, dance, debate, extempore, quiz, drama and brief speech etc. Many students and teachers participated in the event. This event every year acts as a bridge that brings together teachers and students from diverse background to a joyous milieu. Students actively participate in the events and they have a chance to collaborate and learn from each other and build meaningful relationships.

‘AMRA KORBO JOY’ by department of Microbiology

Date: 04/05/2020

Students of department of Microbiology celebrated the spirit of life amidst the fear and panic caused by the outbreak of the threatening pandemic. The theme of the virtual celebration was ‘AMRA KORBO JOY’- a message from Kabiguru Rabindranath Thakur that was especially relevant in the current scenario. Students prepared hand-made slogans and sketches to spread awareness against Covid-19 and encouraged viewers to stop worrying and take necessary precautions. The messages were bilingual and the video was prepared to reach to a wider audience. This little and humble effort of the students made the departmental faculties and others proud.

Celebration of Rabindra Jayanti

Date: 09/05/2020

Department of Food and Nutrition celebrated

Second semester students of Food and Nutrition department paid shradhyanjali to the great poet, novelist and philosopher Kabiguru Rabindranath Thakur by celebrating Raindra Jayanti on 9th May 2020 through online mode. The event was coordinated by Soumen Mondal. Arunima Bhattacharya presented 'Mor bhabnare ki haaoy matalo dole mon dole akaron haroshe'. Sneha Halder recited one poem 'Sparshamoni'. Sathi Ghosh presented 'Bipode more raksha koro e nohe moro prarthona'. Participants were delighted to listen to the recitation of 'Hariye Jaoa' by Manasi Chakraborty. Sathi Ghosh presented another heartwarming song 'ami hridayete path ketechhi sethay charan pore tomar'. Rata Sarkar concluded the event. The video was compiled by the students and shared in college youtube channel.

Department of Food and Nutrition paid tribute to the 'lady with the lamp' Florence Nightingale on her 200th Birth Anniversary on 11.05.2020. The event was mentored by the faculties Ms. Rukshana Irani, Dr. Arvinda Shaw, Dr. Manorama Polley, Ms. Shrabanti Kundu, Jayanti Dhara and Smt. Tanushree Bose. Ms. Irani, HoD of the department, narrated the early life of this great lady. Students prepared one video demonstrating the messages based on the life and works of the lady with the lamp. This definitely boosted the morale of every one watching the video in the tough times.

All locked soul to tell your story during lockdown by Department of Mathematics
(Date: 14/05/2020)

Students were homebound and helpless during lockdown. Faculties of Department of Mathematics encouraged their students to spend their free time in creative endeavors to feel less stressed, positive and happy. Some of the students prepared decorative items for their home and some of them got engaged in gardening. Few of the students started nurturing their cooking habits, painting, craft making, writing and oratory skills. The events were presented through a short video and shared in college webpage.

রায়দিঘি কলেজ ফেসবুক লাইভ প্রোগ্রাম

প্রিয় ছাত্রছাত্রী, শিক্ষক ও শিক্ষাকর্মী বন্ধু,

আমরা এক কঠিন সময়ের মধ্যে দিয়ে যাচ্ছি। দীর্ঘদিন অতিক্রান্ত আমরা একে অপরের থেকে দূরে থাকলেও কাজের জন্য ডিজিটাল মাধ্যম আমাদের সবাইকে কাছে এনে দিয়েছে। তাই এই লকডাউন পিরিয়ডে আমাদের কলেজের নিবেদন অনলাইন প্রোগ্রাম। পড়াশুনার পাশাপাশি আমরা ফেসবুক লাইভ প্রোগ্রামের মাধ্যমে কলেজের ক্ষেপে সবাইকে একসূত্রে বেঁধে রাখতে চাইছি। ঘরে থাকুন, সঙ্গে থাকুন। আপনিও এই প্রোগ্রামে অংশ নিয়ে প্রোগ্রামের মান সমৃদ্ধ করতে পারেন। ধন্যবাদ।

‘The Shield Of Tilottoma’

Date: 05-06-2020

Department of Chemistry observed World Environment Day through one virtual event entitled ‘The Shield Of Tilottoma’. Faculties mentored students who prepared one heart-touching and compelling video of natural calamity affected Sundarbans Delta and its communities. The video depicted the nurturing aspect of the mangrove shield which protected the city of Joy from shattering cyclones since ages. Reports and images from news papers were also used to describe recent catastrophes. It was a moment of concern of all of us to protect our mother nature to get us protected from such calamities in future. The link of the video shared in college website is given

Youth Day Celebration by NSS

(Date: 12/01/2021)

159th Birth Day of Swami Vivekananda was celebrated as Youth Day by NSS wings of Raidighi College on 12th January 2021 to spread the words of wisdom, spiritual thoughts of Swami Vivekananda and enlighten everyone to make themselves aware of the potential hidden in them. Swami Tattwatitananda from Ramakrishna Institute of Culture, Golpark inspired listeners with his words describing some small events from Swamiji's life and his long journey of exploring and discovering real India. He also narrated Swamiji's eagerness in rousing religious consciousness among his countrymen applying the principles of practical Vedanta. NSS Program Officers Dr. Amitava Moitra and Mr. Suvankar Ghosh Roychowdhury continued further and interpreted to the students so that they can relate to the words of Swami Vivekananda to understand religion, Swamiji's concept of 'potential divinity of the soul' and principles of morality and ethics.

Antarjatic Matribhasa Dibas 2021 by department of English

Date: 21/02/2021

Students of English department organized one heart touching event portraying the importance of languages and the celebration of International Mother Language Day on 21st February 2021. At the start Principal Dr Sasabindu Jana highlighted how languages provide different perspectives, cultural understanding, and a way to express ourselves and learn from others. Other speakers Dr. Sisir Chatterjee, Dr. Arunima Biswas and Mr. Sanat Kumar Purkait explained the purpose of the day and congratulated the students since they gathered in the virtual celebrations. Departmental faculties Mr Suvankar Ghosh Roy Chowdhury, Mr Debashis Biswas and Mr Bidyut Saha encouraged the students and praised them for their enthusiasm. Students presented recitation, song, elocution and dance performances. The event was coordinated by Sudipa Sasmal and Injam Ahmed. Members of Internal Quality Assurance Cell assisted the organizers. Overall, the event was a heartwarming session which conveyed the importance of languages and cultural understanding.

'PRANER MANUSH' (**Rabindra Janmo Jayanti**) by Department of English
(Date: 09.05.2021)

Students of the department of English organized 'PRANER MANUSH' to celebrate Rabindra Janmo Jayanti on 9th May 2021. Program started with a narrative of Tagore's last creation 'Sabhyatar Sankat' (Crisis in Civilization) by departmental faculty Mr. Suvankar Ghosh Roychowdhury. Principal Dr. Sasabindu Jana conveyed his best wishes and encouraged students for such initiatives in future. He emphasized on the fact that we are indebted to the creations of Rabindranath Tagore in so many ways. Students presented songs and recitation, stories and their views on Tagore's creations. The program was beautifully coordinated by Toyanjaly Panda. Everyone was mesmerized with the wonderful presentations by the students.

Celebration of 27th Foundation Day of Raidighi College

(Date: 16/05/2021)

27th Foundation Day of Raidighi College was celebrated in online mode and the event commenced at 11am. It started with reminiscing the past and looking back to the moments and remembering the people who had helped to shape who we are today. In her welcome address Jt Convener of the event Dr. Payel Ghosh greeted everyone and shared encouraging words amidst the gloom which the pandemic has brought about. Senior faculty Mrs Supriti Sarkar enchanted everyone with a melodious tune of 'Udasi haoar pathe pathe natun mukulguli dhare' and set the mood of the event.

The principal Dr. Sasabindu Jana shared the best wishes message from the secretary of the Governing Body, Dr. Choudhury Mohan Jatua. Teacher's council secretary Dr. Sudhin Sinha expressed warm reception to all participants and talked about the evolving trends in the economy and society during the present situation. He conveyed his gratitude to all alumni who one way or other contributed to the development of the institute. Newly elected Member of Legislative Assembly, Dr. Alok Jaldata described present scenario of the local community which is heavily downtrodden by Covid -19. He also requested for fee waiver of the students in the oppressed economic situation.

College magazine Srijani was published virtually by the Principal Dr. Sasabindu Jana and Magazine Committee Convener Mr. Suvankar Ghosh Roychowdhury shared few glimpses and contents of the magazine. IQAC Coordinator and Jt Coordinators Dr. Sisir Chatterjee and Dr. Arunima Biswas recapitulated earlier moments and shared their memories. Other faculties also shared their emotions and attachment with the college and students. The principal Dr. Sasabindu Jana in his talk briefed on the wide variety of activities, both online and offline, conducted by the college. He expressed how the college stands out with a vision, vigour and value of new kind. He also talked about different courses that have been introduced over the years to enhance students' career-capability and making them aware of the current and evolving trends in their subjects.

First half of the event was coordinated by Mr. Bidyut Saha and Dr. Payel Ghosh coordinated the second half of the event which consisted of students' performances. Students performed dance, recitation, song and expressed their emotional attachment with respective departments and with the institution. All faculties, Governing Body members and everyone expressed their best wishes and prayed for glorious future of our college.

ZOODRIVE, 2021 by Department of Zoology (June 2021)

Faculties and students of the department of Zoology published e-magazine ZOODRIVE during June in 2021. The colorful magazine portrayed the wild lives and nature of mangroves, corals and red pandas. It also depicted the unique animals present in the wild. Very informative and eye-catching magazine was a great pleasure to the readers.

Teacher's Day Celebration (Virtual) by department of Food and Nutrition

(Date: 05/09/2021)

Food and Nutrition department celebrates Teacher's Day on September 5th, the birth anniversary of Dr. Sarvepalli Radhakrishnan, a renowned scholar and teacher who championed the importance of educators. Students' performances - dances, songs, recitations, poems, and skits - paint a heartwarming picture of the department's vibrant celebration. Due to lockdown, students and faculties are forced to join in virtual celebration leaving the joy of in-person gatherings. It's touching to see how the students' efforts filled the teachers' hearts and motivated them for better academic performance. The event effectively conveyed the students' respect and appreciation for their teachers, making it a heartwarming session.

Drawing Competition during observation of
International Day for Preservation of Ozone Layer

Date: 16.09.2021

Department of Botany organized one online event to observe International Day for Preservation of Ozone Layer on 16th September 2021. The day commemorates the signing of the Montreal Protocol, an international treaty established in 1987 to phase out ozone-depleting substances. This protocol initiated the world wide movement to protect the ozone layer. The aim of the event was to create awareness amongst community regarding the depletion of the ozone layer which allows more harmful ultraviolet radiation to reach the Earth's surface resulting in health problems like skin cancer and cataracts. Awareness programs like educational talks, campaigns to promote ozone-friendly products and calls for continued action to protect the ozone layer will be crucial to build collaborative measures against the damage already done to this protective shield. Students enthusiastically took part in the drawing competition and some of the entries are displayed here.

World Heart Day 2021

Date: 29-09-2021

Department of Food and Nutrition observed World Heart Day on 29th September 2021 on virtual platform. The 2021 World Heart Day theme was indeed "Using Heart to Connect: Harnessing the power of digital health to improve awareness, prevention and management of CVD globally." Telehealth is a critical tool in achieving this goal. Some ways are crucial in present scenario like digital health, including telehealth, can be used to combat CVD (cardiovascular disease) through increased awareness such as educational apps and websites can spread information about CVD risk factors, symptoms, and prevention strategies. Social media campaigns can reach a wider audience and encourage healthy habits.

Telehealth improves prevention for example wearable devices can monitor heart rate, blood pressure, and activity levels, helping individuals identify potential problems early. Moreover, digital health platforms can offer personalized coaching and support for adopting healthy lifestyles. It also enhances management like telemedicine consultations allow patients with CVD to connect with healthcare professionals remotely, improving access to care and monitoring. Digital tools can help patients track medications, manage chronic conditions, and stay motivated with treatment plans. By leveraging telehealth and other digital health solutions, we can significantly improve CVD outcomes around the world. "USE HEART TO BEAT CVD" is a powerful message, and digital health plays a key role in making it a reality.

Students of Food and Nutrition Department performed one short drama to spread awareness amongst student and their extended community regarding avoidance of junk food and importance of balanced diet to take proper care of our heart. Departmental faculties Ms. Rukshana Irani, Dr. Arvonda Shaw, Ms Shrabanti Kundu, Ms Jayanti Dhara encouraged and guided the students. Krishna Middya, Anindita Purkait, Subhashri Mandal, Rama Neogi played the characters of a student, her mother, the doctor and a consultant dietician. The video was edited by another student Tarun Halder. It was really enjoyable to watch!!

Cultural activities performed by students on International Girls' Child Day 2021

Date: 07.10.2021

Women's Cell and IQAC of Raidighi College organized one eye-opening session for our girl students on 7th October 2021 through virtual mode.

The event started with inaugural song by Sathi Ghosh from the department of Food and Nutrition. Welcome address was given by the convener, Women's Cell Dr. Payel Ghosh. She thanked all the supporting members of the organizing team and participants from nearby schools. She explained the history and importance of the day and shared this year's theme. The event was coordinated by Dr. Jahan Ali Purkait. The Principal Dr. Sasabindu Jana emphasized on the importance of digital literacy of all users specially our girl students. IQAC Coordinator Dr. Sisir Chatterjee and Convener of Minority Cell Dr. Jahan Ali Purkait also shared their views on the utility of cyber laws in India in current social and economic scenario. Head master of nearby Kashinagar High School Mr Chandan Maiti narrated present horrible social situation of the school girl students. Senior faculty Mrs Supriti Sarkar also expressed her concerns regarding the ignorance of cyber users and frivolity of heinous crimes happening in internet in recent times.

Students from the department of Education performed one short drama to aware other participants of one such likely event. The drama was directed by semester VI student Shrabani Purkait. Other characters were played by Sudipto Mudi, Moyna Pramanik and Munmun Halder. Ananya Tewari presented one splendid recitation to the participants.

In the next session resource person Dr. Sunanda Goyenka, Principal, JCC Law College, Kolkata enlightened the participants on 'Protection of girl child under the prevailing cyber laws in India: A sociolegal discussion'. In step by step manner she narrated the measures and procedures to be followed in case of some forms of cyber crimes and probable compensations and remedies achievable. Vote of thanks was delivered by Deputy Convener, Women's Cell Begam Naziya Sultana. It was a memorable experience for all the participants!!

World Science Day for Peace and Development

10th November, 2021

Intra-College Slogan Writing Competition organized by
Department of Microbiology & IQAC of Raidighi College
~ An extension activity to spread community awareness

Celebrated every 10th November, "World Science Day for Peace and Development" highlights the significant role of science in society and the need to engage the wider public in discussions on emerging scientific issues. The year 2021 marks 20th edition of World Science Day for Peace and Development. With climate change becoming a serious threat to the lives of billions of people and the planet, UN will highlight this year the importance of "Building Climate-Ready Communities". The objective is to bring science closer to society by highlighting some key scientific aspects and possible solutions provided by science technology and innovation to some of the major global challenges society is facing today, for example, climate change and its solutions.

As instructed by Principal, Dr. Sasabindu Jana, Dept. of Microbiology and IQAC organised intra-college online slogan writing competition for all students of Science stream to spread awareness in our local community about this very relevant issue. Dr. Sisir Chatterjee, IQAC Coordinator and Associate Professor of Geography, acted as an impartial judge.

Sundarbans Day by department of Geography

Date: 11-12-2021

Sundarbans Day was introduced by the State Government of West Bengal to be celebrated on 11th December each year by organizing awareness programmes in all blocks of Sundarban delta to emphasize the importance of mangrove spread and its immense role in sheltering the mainland from natural calamities like cyclones such as Amphan, Ayela, Fani and others. In Raidighi College, department of Geography took the initiative to gather all concerned on that day and spread the message to the teachers and students so that they could in turn convey the same to the extended community. The Principal Dr. Sasabindu Jana and other faculties from department of Physics, English and Food and Nutrition etc Dr. Amitava Moitra, Mr Suvankar Ghosh Roy Chowdhury and Ms Rukshana Irani respectively were present in the event. All of them pointed out several factors responsible for erosion in Sundarbans delta region and global warming which resulted in frequent calamities occurring in Sundarbans. Departmental faculties Dr. Sisir Chatterjee, Mr Sanat Kumar Purkait, Mr Swarup Purkait and Mr. Arindam Bhattacharya elaborated on regional adversities, land forms, community behavior and infrastructure building etc in the delta region. Students presented some drawings portraying the ecosystem of Sundarbans Delta. Overall the event was eye opening for all the participants present there.

Quiz Competition on 'Bio-remedy' by Department of Microbiology

Date: 04.04.2022

On 4th April 2022, department of Microbiology arranged a quiz competition for its students on "Bio-remedy" to promote positive communication among the students and help strengthen their language skills and learn about specialized subjects. The topic was aptly chosen as 'Bio-remedy' since it emphasized the role of microbial population in removing environmental pollutants be it from air, water, soil or industrial effluents in natural or artificial settings. Questions were based on the advantages of bioremediation over traditional methods like incineration, applications of bioremediation like cleaning up oil spills or treating industrial wastes, types of remediation processes in use, ongoing research and advancement of bioremediation techniques used for tackling emerging environmental challenges etc. It also covered some real life examples as well. Semester VI and IV Hons students took part in the event and fully enjoyed the interactive quiz session.

World TB day Quiz 2022 (State level, Online) Organized by Dept of Microbiology, Raidighi College

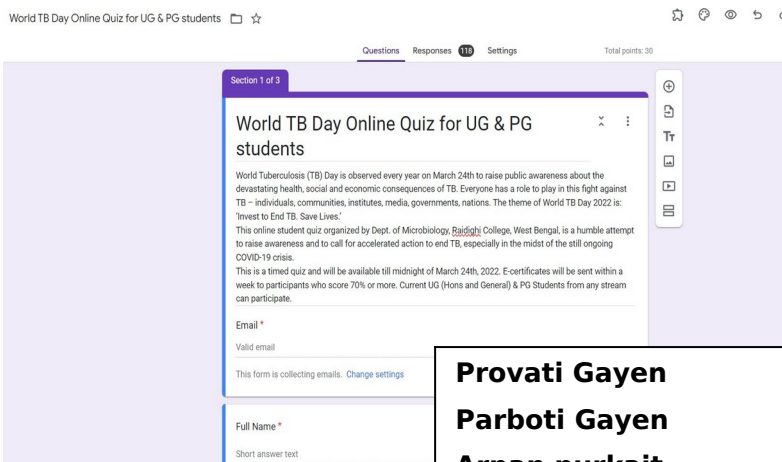

(Date: 24/04/2022)

World Tuberculosis (TB) Day is observed every year on March 24th to raise public awareness about the devastating health, social and economic consequences of TB. Everyone has a role to play in this fight against TB – individuals, communities, institutes, media, governments, nations. The theme of World TB Day 2022 was: ‘Invest to End TB. Save Lives.’

This online student quiz organized by Dept. of Microbiology, Raidighi College, West Bengal, was a humble attempt to raise awareness and to call for accelerated action to end TB, especially in the midst of the still ongoing COVID-19 crisis.

This was a timed quiz and was available till midnight of March 24th, 2022. E-certificates were sent within a week to participants who scored 70% or more and the event was open to UG (Hons and General) & PG Students from any stream in our state.

ZOODRIVE-2022, e-magazine by Department of Zoology

(April, 2022)

Faculties and students of the department of Zoology published e-magazine ZOODRIVE in April, 2022. Interesting lives of wild animals with bright, colorful pictures drew everybody's attention. Animal lives in extreme environments, rare snakes of the world and vampire bats were narrated in detail with illustrations. The phenomenon of bioluminescence was explained in lucid manner. Readers could have rich description of migratory birds. The journey of human evolution was featured with great care and in a very attractive way.

International Day of Yoga by Department of Physical Education (Date: 21/06/2022)

Every year International Yoga Day is celebrated on 21st June in our college with great enthusiasm and spirit except for Covid-19 days. This event aimed to promote the well-rounded benefits of yoga – physical, mental, and spiritual – not just for students but for the wider community as well. The event highlighted the participants' dedication to yoga. It emphasizes the significance of yoga in achieving a mind-body balance, which aligns with the college's focus on holistic well-being. The participation of both the Principal, Dr. Sasabindu Jana, and the Physical Instructor, Mr. Kamal Krisna Khanra, demonstrates strong leadership support for the event and its message. Overall, this observation effectively portrayed the Yoga Day Celebration as a successful event that promoted yoga's benefits and reinforced the college's commitment to well-being.

ALUMNI MEET by Department of Food and Nutrition

(Date: 05/09/2022)

An Alumni Meet was organized on 5th September, 2022 by the Department of Food and Nutrition “RENASCENCE” meaning rebirth/reincarnation at Raidighi College from 11am to 1pm. At the start Principal Dr. Sasabindu Jana praised the students for such initiative and encouraged them. Faculty members from department of Botany and English respectively, Dr. Madhumita Majumder and Mr Bidyut Saha shared their words of wisdom and support. The main objective behind this meet was to bring together all the old students and the faculty members of the department so that they can share their experiences with each other. The event aimed to provide guidance to the present students in their endeavour for enhanced academic performance and better employment in later life. Students shared their college life memories and expressed their expectations from college and the department. Some of them presented Rabindra Sangeet and Najrul Geeti. Overall the event created a beautiful remembrance of the times spent in the college premises by the attending students.

Teacher's Day by Department of Microbiology

(Date: 05/09/2022)

Students of department of Microbiology celebrated Teacher's Day on 5th September 2022 to show respect and appreciation for their teachers' hard work. It captures the spirit of appreciation, fun, and bonding that defines the day. The theme emphasized entertainment and a joyful atmosphere as it breaks from the usual routine and adds another dimension to the day's significance. The event started with Principal Dr. Sasabindu Jana's encouraging words. IQAC Coordinator Dr. Sisir Chatterjee also boosted the students for their enthusiasm and spirit. Then departmental faculties Dr. Arunima Biswas and Mr. Prabir Sahoo presented devotional songs. Students were engaged in various activities like recitation, singing, skits and story telling etc. Students shared their experiences with their favourite teacher and mimicked their classes. Semester VI students coordinated the entire event. Overall the event was fun filled and enriching.

Teacher's Day celebration by department of Geography

Date: 24-09-2022

Teachers' Day is celebrated to honor the birthday of Dr. Sarvepalli Radhakrishnan, the second president of India and a renowned scholar. It's a special day for educational institutions to appreciate the dedication and contributions of teachers. This day is dedicated to celebrating teachers and their contributions to education. It's a time to acknowledge their hard work, dedication, and the positive impact they have on students' lives. It's also a day to consider how we can better support teachers in their roles and ensure they have the resources they need to be successful. Departmental faculties Dr Sisir Chatterjee, Mr Sanat Kumar Purkait, Mr Swarup Purkait and Mr Arindam Bhattacharya all elaborated on the role and duties of a student and guided them for a better future. They emphasized that teaching is a powerful profession with the potential to change lives and build a better future. It's concerning, though, that this critical role is facing a shortage on a global scale. Students presented a wonderful and vibrant multicultural event! Semester students from current batches came together to showcase their talents through dance, song, recitation, and elocution presentation. Principal Dr. Sasabindu Jana encouraged all students for their performance and wished for their great future. Students presented a memento and flower bouquet to him.

Celebration of 147th Birth Anniversary of Freedom Fighter Birsa Munda

(Date: 18/11/2022)

147th Birth Anniversary of the famous freedom fighter Birsa Munda was celebrated by our SC/ST cell and IQAC on 18th November 2022. The day is commemorated as 'Janjatiya Gaurav Diwas'. The event started from 2pm onwards at Hall 1 of Swami Vivekananda Bhawan. Principal Dr. Sasabindu Jana narrated Birsa's pivotal role against both British rule and forced religious conversions which led to a rebellious movement. Senior faculty Dr. Manab Kanti Baidy elaborated some events of Birsa's life and how Birsa became a leader of his community starting from his early days. IQAC Coordinator Dr. Sisir Chatterjee explained Birsa Munda's life goals and visions and how they are still relevant in today's India. Dr. Sabita Soren described some events from Birsa Munda's life to motivate the participants. All the speakers paid tribute to the great fighter and enlightened the participants about this great fighter's life and mission. It was an enriching experience for the students.

Seminar to observe the Birthday of Shakuntala Devi by Department of Mathematics

(Date: 23/11/2022)

Birthday of mathematical genius Shakuntala Devi was observed through a departmental seminar on 23rd November 2022. Departmental senior faculty Mr. Uttam Roy Mondal narrated the life of this 'human computer' born with a natural talent for numbers who showed exceptional arithmetic abilities at a young age. He also mentioned her international fame which she had achieved through her math shows, showcasing her talent worldwide. Even, her intellectual abilities were documented in the Guinness Book of World Records. Other faculties elaborated students on her literary works. They depicted that Shakuntala Devi wasn't just a math whiz, she also authored books on various topics and inspired many with her motivational talks. Students were exposed to this multifaceted genius who left her mark on the world. Her story is indeed an inspiration for students and all alike, demonstrating the power of perseverance and following one's passion.

National Mathematics Day Observance of 135th Birthday of Srinivasa Ramanujan by Department of Mathematics

(Date: 22/12/2022)

On 22nd December 2022, department of Mathematics observed National Mathematics Day to honor the birthday of Srinivasa Ramanujan, a brilliant Indian mathematician. It's a wonderful way to recognize his incredible contributions to the field of mathematics. This year marks 135th birthday of this mathematical genius. Students prepared and presented wall magazine based on the life and works of the talented mathematician. It portrayed groundbreaking discoveries and unique theorems of this largely self-taught genius that continue to influence mathematicians today. The wall magazine was inaugurated by the Principal, Dr Sasabindu Jana and IQAC Coordinator, Dr. Sisir Chatterjee. Head of the department Dr. Payel Ghosh coordinated the event. Other faculty members Mr. Uttam Roy Mondal, Mr. Swadhin Banerjee and Mr. Goutam Baidya praised the students and shared encouraging words. National Mathematics Day is a time for students, educators, and math enthusiasts across the community to come together and celebrate the beauty and importance of mathematics and boost everyone's interest and excitement about the subject.

Vivek Yapan (National Youth Day) 2023 by NSS Unit I and Unit II

(Date: 09/01/2023)

NSS Unit I and II of Raidighi College organized Vivek Yapan to commemorate National Youth Day on 9th January 2023. The event started from 10am onwards in Hall 1 of Swami Vivekananda Bhawan. Swami Ishteshanandaji Maharaj from Ramakrishna Mission Vidyalaya, Narendrapur was our esteemed guest to enlighten the participants. Ishteshanandaji Maharaj outlined the ideas and philosophy of Swami Vivekananda in a very lucid and storytelling manner to the students. He narrated small events of Swamiji's life and portrayed different shades of this Godly figure, as a humanist, as Vedantist and as a Universalist. He reinforced Swami's words which emphasized **purity, patience, and perseverance** as key human qualities to overcome challenges and achieve success which suggested maintaining integrity, staying focused, and working persistently in the face of difficulties. He also highlighted Swamiji's saying of having **faith, both in oneself and in a higher power**, as the "secret of greatness." He persuaded students to believe in one's own abilities and having a sense of purpose or trust in a divine force can be a powerful motivator for success. The event was coordinated by NSS program officers Dr. Amitava Moitra and Dr. Suvankar Ghosh Roychowdhury and was presided by Dr. Sudhin Sinha, Secretary, Teachers' Council.

Global Science on Local Canvas

Date: 28/02/2023

Department of Chemistry and Zoology organized the event to promote general awareness about global wellbeing amongst students on 28th February 2023. Principal Dr. Sasabindu Jana formally welcomed all the participants gathered for the celebration and gave the insights on how science and technology should walk hand in hand to solve the current societal problems. Other speakers from both the organizing departments shared stimulating thoughts on science and technology. They highlighted the importance of material science and emphasized on how the generation of new idea is possible through the organization and celebration of such events. The programme included a wide range of activities like elocution, students' seminar and hand-made poster competitions etc. Students from various departments had participated enthusiastically in these events. Dr. Debasree Saha, Head, Department of Chemistry and Dr. Ishita Samajdar, Head, Department of Zoology were the coordinators of the event. Principal appreciated the participants and winners of the competitions. The event was a successful and informative event that aimed to promote scientific knowledge and interest in science.

Gut Microbe and Women Health (Art of Video Making - Convergence of Science and Creativity)

Date: 08/03/2023

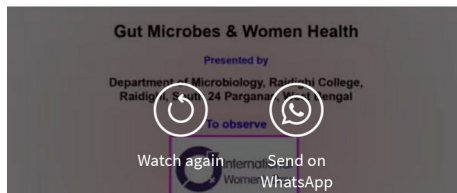

Students of department of Microbiology came together in virtual platform on 8th March 2023 through convergence of science and creativity by creating a short video on Gut Microbe and Women Health which elaborated on how small steps taken by us can lead to a health gut resulting in better health and wellbeing for women. Departmental faculties Dr. Arunima Biswas, Dr Shakuntala Ghorai and Mr. Prabir Sahoo narrated different roles of gut microbiota in human health and wellbeing.

Sayani Santua explained the role of healthy gut microbiota in overall health of any individual. She further narrated the effect of gut microbiota on reproductive endocrine system through interaction of estrogen, androgen and insulin etc. Riya Mandal emphasized on the role of gut microbiota in relation to polycystic ovarian syndrome. Provati pointed out recent research findings which indicated imbalance in the gut microbial community is associated with cancer progression. Parboti elaborated on the anti-inflammatory property of probiotic microbes leading to the reduction of systemic and knee joint inflammation, the preservation of cartilage and an encouraging treatment option for osteo-arthritis, especially in women. Chayan Mondal mentioned crucial role of the gut-brain axis for both mental and physical health. Students beautifully blended the scientific information with their creative approach to prepare such a wonderful learning experience for all listeners. The video was shared in college facebook page.

Dept of Microbiology, Raidighi College, presents a short video on " Gut Microbes & Women Health" to observe International Women's Day, 2023.

Annual Cultural Competition by Cultural Subcommittee

(Date: 14/03/2023)

Cultural activities boost self-expression and promote confidence building for students. Those activities develop teamwork and social skills in students. Through these activities enhanced engagement and academic performance are noted in student communities. They open up opportunities to explore potential and excel in various fields. Raidighi College organizes various cultural activities throughout the year but Annual Cultural Competition hosts a range of activities like dance, singing, literary arts, drama, music, compositions, debate, recitation, extempore and quiz competitions to showcase talents and potential of the students. Annual Cultural Competition was organized by Cultural SubCommittee on 14th March, 2023 at Hall 1 from 11am onwards. All faculties were present to encourage and applaud the students. This event aims to well-rounded development of the students. It highlights how the college goes beyond academics to provide a platform for students to express themselves and develop valuable life skills.

Extempore Competition by Department of Microbiology

Date: 13.04.2023

Department of Microbiology organized one extempore competition on 13th April 2023 for their students. Various syllabus related and extended topics were given to the students. They were allowed to think for 5 minutes before delivery. The event aimed to explore the ability of the participants to think on their feet and deliver a compelling speech on an unforeseen topic. The students familiarized themselves with the basic structure of a speech like introduction, body (main points) and conclusion. They also had scope to work on projecting their voice, maintaining eye contact and using confident body language. Faculty members guided the students by not stressing themselves by trying to be perfect but to demonstrate their ability to think critically, organize their thoughts and deliver them in a compelling way. The must show their passion on the topic and the points delivered by them may not be ground breaking but the delivery should be well-structured and confident which ultimately creates significant impact. These practices aid in building their confidence and improve their performance in mock interviews and presentations. Semester IV student Priyanka Giri delivered on 'Climate Change and Health'. Arpan Purkait presented on 'AI in healthcare'. Pallabi Das talked on 'Drug resistant TB'.

Foundation Day Celebration

(Date: 16/05/2023)

On the 16th of May, Raidighi College pulsed with twin celebrations: the joyous thrum of its own Foundation Day and the resonant melodies of Rabindra Jayanti. The campus bustled with a festive spirit, vibrant decorations intertwining with the fragrance of academic achievement and cultural pride. The day unfolded like a tapestry woven with threads of tradition and progress. Renowned artists, invited to celebrate Rabindra Jayanti, painted the air with sonnets and songs, their verses echoing the bard's timeless wisdom. Students, transformed into actors and singers, brought Tagore's stories to life, each performance a vibrant tribute to the literary titan. The air vibrated with a palpable connection to Bengal's rich cultural heritage, reminding everyone of the values upon which Raidighi College was built.

But amidst the cultural fanfare, another kind of celebration took center stage. As the curtains closed on the final acts, our beloved Principal took the stage. His words, laden with pride and gratitude, acknowledged the academic and extracurricular triumphs of our student body. Awards glittered under the spotlights, each one a testament to dedication, perseverance, and talent. From academic excellence to sporting prowess, from artistic brilliance to social innovation, every facet of student achievement was recognized, leaving the recipients beaming with pride and the audience echoing with applause. This wasn't just a day of accolades; it was a day of progress. Our Principal, with a flourish, inaugurated newly renovated seminar rooms, classrooms, and laboratories. The gleaming, state-of-the-art Computational Laboratory and Language Laboratory stood as physical manifestations of Raidighi College's commitment to providing its students with the best possible academic environment. Each sparkling lab bench, each innovative software program, whispered the promise of a future fueled by knowledge and technology.

As the day drew to a close, the setting sun bathed the campus in a golden glow. The echoes of Rabindra Sangeet still lingered in the air, blending with the excited chatter of students discussing their awards and exploring the new facilities. Raidighi College, on this auspicious day, had

celebrated not just its past and present, but also its promise of a future vibrant with learning, achievement, and cultural richness.
