

Alumni Association

The college has a cordial relationship with its alumni. The college is now 25 years old, and the alumni-strength is not that great. Yet, even among only a handful of alumni, there are notable and successful ex-students who keep coming to the college out of their love and respect. Thus, at its twenty-five year, the college intends to organize the First Reunion centrally. However, there are individual departmental reunions organized by a few departments for now where the ex-students participate.

There is a committee in the college assigned to take care of the matters of a feasible central reunion. The committee consists of Prof. Sudhin Sinha, Prof. Bidyut Saha, Prof. Supriti Sarkar, Prof. Shakuntala Ghosh, Mr. Shaktipada Jana, and Mr. Utpal Dutta, headed by Dr. Manabkanti Baidya, and Prof. Swarup Purkait.
