“Nobody is bothered about an institution more than its alumni” – N. R. Narayan Murthy

The Main objective of Alumni Association is to bridge the gap between the college and alumni. They are responsible for keeping complete track of alumni with their required details; inform them about the current changes and achievements of the College.

Alumni Association meetings are to be taken place yearly and future plans are to be discussed in the meeting. Along with the association meeting, annual alumni meet “Aikatan” is also to be organized at the College level every year. An alumnus on our campus is for the benefit of the juniors. They are to guide and motivate students about the opportunities in different fields and highlight the trends in education system by sharing their personal experiences. Alumni are to visit campus at regular intervals to support the existing batches of students in planning and organizing events.

A non-formal Alumni Association has been in existence in our college since 2008. However, in the month of December, 2022 (3/12/22) the Governing Body of the College has agreed to give permission to register the Alumni Association of the College as per Society Registration Act – 1961. This will genuinely help the long-standing demands of many of our Alumni, who are in flung areas of West Bengal.

Raidighi College Alumni Association welcomes all graduated students to be a part of its alumni network. If you want to support scholarship programs, attend alumni-only events, or get access to special discounts, you may need to officially join your alumni association, which usually involves a simple application and annual fee. All graduates should join the Alumni Association for three major reasons.

- 1) This forum must enable you to explore job opportunities from different corners of job market. Soon a Face book page might be created for more cohesion of this association. A couple of non-campus events to be announced time to time, particularly during cyclone seasons for relief job.
- 2) Keeping in touch with your fellow alumni might include connections beyond the workplace, too. If you would stay connected, you would be invited to alumni-only happy hours in your town, networking time-spent/lunches, volunteering events, and fundraisers for local charities. You may meet your next business colleague, romantic partner, or lifelong friends at an alumni event.
- 3) Joining your alumni association can save or getting access to exclusive offers. Alumni groups encourage association sign-ups by offering a range of member-only offerings, products, and services like, Banking Offers, Lifelong Learning of a few Add-On Courses, to name a few.
