### **Raidighi College Inaugurates Computational Laboratory**

Raidighi College inaugurated a new computational laboratory on International Women's Day, March 8th, 2019. The lab, a joint initiative by the Physics and Mathematics departments, can accommodate up to 12 students at a time.

The inauguration ceremony began with Principal Dr. Sasabindu Jana cutting the ribbon and delivering an inaugural speech. This was followed by a motivational address from TCS's Sudhin Sinha. A question and answer session was held afterwards, with Amitava Moitra and Payel Ghosh addressing queries from faculty members and students.

The event was well-attended, with nearly 15 faculty members and 43 students present. The new lab is expected to be a valuable resource for students in the Physics and Mathematics departments.

Title: Emerging Trends in Science and Technology emphasizing on Atomistic Simulation Date: 20/09/2020

Time: 10:00 AM

Venue: Online Platform

Type of Event: Seminar

Dr. Sasabindu Jana Principal PRINCIPAL RAIDIGHI COLLEGS

## Department of Physics presents International Webinar on

## **Emerging Trends in Science and Technology** <u>emphasizing on Atomistic Simulations</u>

Dr. Sankha Mukherjee Computational Materials Engineering , Dpt. of Materials Science & Engineering University of Toronto, **Canada**.

Dr. Ilaksh Adlakha Department of Applied Mechanics IIT Madras, **Chennai -** 600036.

Dr. Amlan Dutta Dept. of Metallurgical and Materials Engineering IIT**, Kharagpur** 

Dr. Laalitha Liyanage, Computational Material Modeling and Design Lab; Applied Computing, University of Kelaniya, **Sri Lanka** 

Harpreet Grewal Senior Executive Engineer GE Nuclear, Peterborough, ON K9J 5L4, **Canada** 

Dr. Poulomi Chakraborty, Department Computational Materials Design Microstructure Physics and Alloy Design <u>Max-Planck-Institut für Eisenforschung GmbH</u>

Chief Patron: Dr. Sasabindu Jana Principal, Raidighi College

Registration: https://forms.gle/3xS6Wj3jASjj6pt16

<u>Organizing Committee Members</u>: Dr. Shreyasi Pal, Sankar Kumar Santra, Chanchal Das, & Swati Purkait

Chief Organizer: Dr. Amitava Moitra Head, Dpt. of Physics, Raidighi College

For any further queries please contact Dr. Moitra 9123018212

**Event Gist:** Department of Physics, Raidighi College organized International Webinar on "Emerging Trends in Science and Technology - emphasizing on Atomistic Simulations" on 20/09/2020 from 10:00 AM to 1:40 PM, IST. The invited speakers were experts in this specific field research from four different countries: India, Sri Lanka, Germany, and Canada.

#### Title: Emerging Trends in Science and Technology - emphasizing on Atomistic Simulations

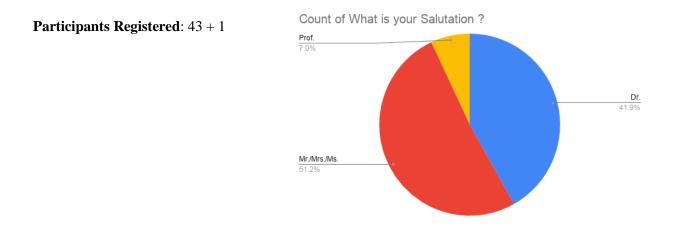

**Objective**: Atomistic Simulations in Indian community is by far mostly recognized as density functional theory (DFT) calculations for magnetic materials. However, along with DFT, molecular statics and dynamics calculations using semiempirical models have a huge potential to underpin the materials' behavior, encompassing thermal properties, mechanical behavior, failure criterion, etc. The webinar is thus aimed to create a synergistic approach to create a strong platform for Atomistic Community in India, involving different experts around this planet. Alongside, I am hopeful that it would be very much helpful for the college faculties and students to get exposed into this field. With the upcoming New Educational Plan of Government of India in mind, it would be interesting to plan how these simulations can be useful to implement in a semester-wide project. Further, many Physics Laboratories around the globe, are slowly adopting a Soft-Lab, instead of conventional Hard-Lab, to transfer more knowledge to student community regarding the atomistic details of several physical processes.

#### Speakers List :

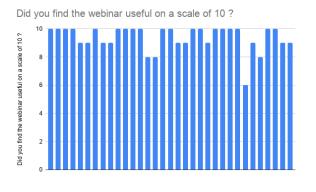

- 1) **Dr. Sankha Mukherjee**, Computational Materials Engineering ,Dpt. of Materials Science & Engineering University of Toronto, **Canada**.
- 2) Harpreet Grewal, Senior Executive Engineer, GE Nuclear, Peterborough, ON K9J 5L4, Canada
- 3) **Dr. Laalitha Liyanage**, Computational Material Modeling and Design Lab; Applied Computing, University of Kelaniya, **Sri Lanka**
- 4) Dr. Ilaksh Adlakha, Department of Applied Mechanics, IIT Madras, Chennai 600036.
- 5) **Dr. Poulomi Chakraborty**, Department Computational Materials Design, Microstructure Physics and Alloy Design, Max-Planck-Institut für Eisenforschung GmbH, **Germany**
- 6) Dr. Amlan Dutta, Dept. of Metallurgical and Materials Engineering, IIT, Kharagpur

#### Webinar Schedule

10:00-10:05:Welcome Address by Principal Dr. Sasabindu Jana10:05-10:30:Dr. Sankha Mukherjee10:30-11:00:Harpreet Grewal11:00-11:30:Dr. Laalitha Liyanage11:30-12:00:Dr. Ilaksh Adhlaka12:00-12:30:Dr. Poulomi Chakraborty12:30-1:00:Dr. Amlan Dutta1:00-1:00:Vote of Thanks by Dr. Shreyasi PalThe whole session of the Webinar will be chaired by Dr. Amitava Moitra

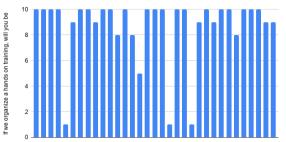

#### Feedback responses from 35 given responses:

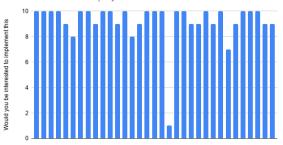

How did you like the webinar on a scale of 10 ?

If we organize a hands on training, will you be interested to attend ?

Would you be interested to implement this simulations in a short research based project in future ?

#### National Level Webinar on 'Intellectual Property Rights: Awareness, Academics & Applications'

#### Date: 25<sup>th</sup> September 2021

- A National Level Webinar on **'Intellectual Property Rights: Awareness, Academics & Applications'**, was organised by Department of Microbiology & IQAC of Raidighi College in collaboration with Department of Microbiology & IQAC of Sammilani Mahavidyalaya on 25th September, 2021, from 11am – 2pm. Google meet platform was used.
- Speaker was Dr. Kaushik Banerjee, General Manager, Zydus Research Centre, Ahmedabad.
- IPR is in Microbiology UG Syllabus. It is equally important for all researchers. Hence the two collaborative depts planned this event.
- Details of the program can be found in the following link: <u>https://www.youtube.com/watch?</u> <u>v=D3kf5wW0O7s&t=2s</u>
- Total number of registered participants was 79 and included students, research scholars, faculty members from Microbiology and diverse fields (like Chemistry, Mathematics, Political Science).
- The event was highly successful and received positive feedback from all participants.

#### **Program summary:**

Dr. Arunima Biswas hosted the event. Dr. Sharmila Chakraborty delivered the welcome address. This was followed by motivational speeches delivered by the two respected Principals of the collaborating colleges who stressed the importance of collaboration in higher education and the significance of continuing teaching-learning and research in the neo-normal mode in spite of the challenges of the lockdown period. The IQAC Coordinators of both the colleges congratulated the organizing depts for this initiative and wished the program a grand success.

Thereafter, Dr. Sharmila Chakraborty introduced the speaker who then discussed at length the role of IPR in academics and business, its various aspects and applications, explained the different terminologies with examples, and elucidated global regulations and the rules of National Law Commission, Govt. of India. His lecture was followed by a brief but productive interactive session. The program ended with the vote of thanks and link for feedback was shared with all participants. E-certificates were sent to their mail accounts.

#### **NOTICE**

This is to inform all the concerned that **Cyber Awareness Day** will be observed by the department of Microbiology of Raidighi College. You are requested to comply and oblige. The details of the event are given below:

#### Title: Cyber Awareness Day

Date: 01.12.2021

Time: 11:00 am onwards

Venue: Online platform

Type of Event: Seminar and extensional activity

Dr. Sasabindu Jana Principal PRINCIPAL RAIDIGHI COLLEGS

#### **Cyber Awareness Day**

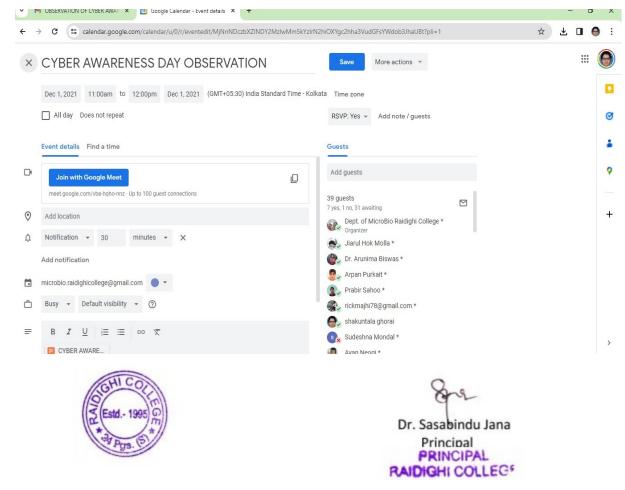

#### Date: 1<sup>st</sup> December 2021

'Cyber Jaagrookta (Awareness) Diwas' was introduced to teach students about cyber safety. The Ministry of Home Affairs created the National Cyber Crime Reporting Portal (NCRP) to allow people to report cyber crimes. It will facilitate the online reporting of cyber crimes. The Ministry of Home Affairs also created the Citizen Financial Cyber Fraud Reporting & Management System as a part of the NCRP for immediate reporting of financial frauds and for stopping the siphoning off of funds by fraudsters. One of the key actions for preventing cyber crimes is to create sustained awareness among the public on 'cyber hygiene'. Raidighi College organized Cyber Awareness Day in each department on 1<sup>st</sup> December 2021 to sensitize all students regarding Information Security. Each department observed the day following the circular of UGC to observe Cyber Jaagrookta Diwas. Department of Microbiology also contributed to the sensitization event for its students by conducting one awareness session of one hour via online and offline mode. Departmental faculties presented on various topics and an interactive session was arranged to clear doubts of the students regarding cyber fraud and information security.

#### Conducted via online mode

#### Faculty: 3

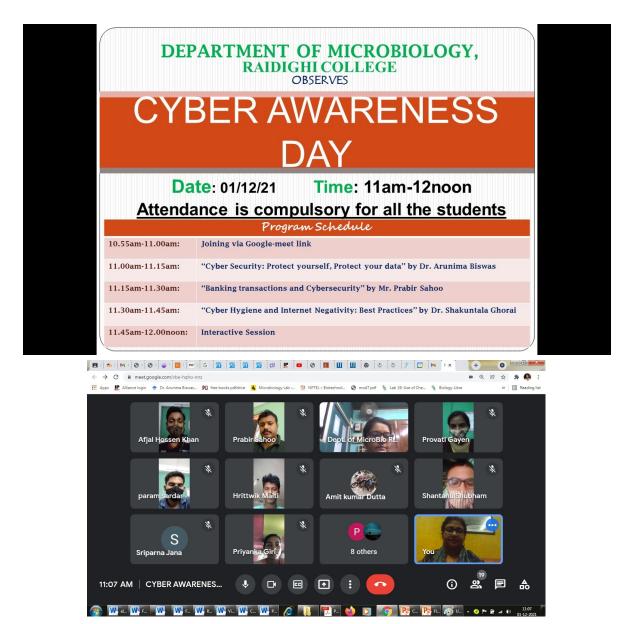

#### Students: 16

## **Two Days National Seminar (Online), 2022**

Cytogenetics, in vitro Culture and Phytochemistry of Plants and Microbes for Sustainable Use

22<sup>nd</sup> and 23<sup>rd</sup> January, 2022 Jointly Organized By

Department of Botany, UGC DRS (SAPII)& DST-FIST शाति निकेतन Siksha-Bhavana, Visva-Bharati,Santiniketan West Bengal-731235

Department Of Botany, Raidighi College (A NAAC Accredited College), 24 Parganas (S), Pin-743383 Last date of Registration: 19th January, 2022 Registration Link: https://forms.gle/ynffqzM2oDhsxes2A

#### About the Organizer

This seminar is a collective effort by Visva-Bharati, Santiniketan & Raidighi College to provide a forum for advanced learning and brainstorming interactive sessions for learners and academicians.

advanced learning and brainstorming interactive sessions for learners and academicians. The Department of Botany at Siksha Bhavana is an integral part of Visva-Bharati which is an institution of national importance and has attained the status of a Central University in 1951 by an act of parliament. The department came into existence, first by starting an undergraduate honours course in 1965 and subsequently postgraduate course was introduced in 1967. The Department of Botany is presently recognized as UGC-DRS-II (2015) and DST-FISTI (2016) department. This Department is continuously contributing in multifarious ways in the field of education and research. Raidighi College is a NAAC Accredited College affiliated under the University of Calcutta. The Department of Botany of Raidighi College is a ctablished in the year 2007 offering only undergraduate Course (General), initially. In the year 2018 Honours Course was also introduced under the Choice-Based Credit System (CBCS). The Department of Botany of Raidighi College is actively involved in conducting numerous events like seminars, webinars, awareness campaigns, study tours etc. along with academic learning and skill-enhancing activities. The Department is relettessly striving to infuse comprehensive ability, research aptitude and inquisitiveness amongst the students regarding the subject to enhance their prospects in higher studies and employment.

This two days National Seminar is an effort to bring all concerned researchers on a common platform to share advanced knowledge, concepts, ideas and innovations on the concerned service of the servi following themes:

#### MAJOR THEMES OF THE SEMI

- 1. Chromosomal Research 2. Sustainable in vitro culture and Conservation of Bioresources
- 3. Phytochemistry and their biological potential 4. Gene Environment Interaction
- Awards:

· Certificate of awards for two best oral and poster presenters of each session

- Certificate to all the authors and Co-authors of presented papers and posters with a soft copy of the Abstract Book.
- Certificate of participation to all the registered participants Participation and Call for Ab

All the delegates must register to participate in the seminar in prescribed registration form. The abstract will only be published after the successful submission of registration form. Abstracts should be sent through email to botar **GUIDELINES FOR ABSTRACT S** 

The abstract for presentation within 300 words on above mentioned areas / themes of the seminar should be sent to the organizing committee on or before 15th January,2022 via email. Abstract should be submitted in MS word with Times New Roman as font style & 1.5 spacing within the lines. Organizing committee

#### Prof. Bidyut Chakrabarty (Vice- Chancellor, Visva-Bharati)

Prof. Taraprasad Bandopadhyay (Principal, Siksha Bhavana, Visva-Bharati

Dr. Sasabindu Jana, Principal, Raidighi College

Prof. Swadesh Ranjan Biswas (Head, Department of

Botany Visva-Bharati)

Dr. Anjalika Roy (Department of Botany, Visva-Bharati) Dr. Madhumita Majumder (Head, Department of Botany Raidighi College)

**Organizing Secreta** Dr. Bomba Dam and Dr. Anindya Biswas (Department of Botany, Visva-Bharati) Ms. Rukshana Irani (Convenor, Seminar Committee

Raidighi College ), Shri. Asim Panda(Department of Botany Raidighi College )

mbers of Organizing ( Me Dr. Soma Sukul, Dr. Jnanendra Rath, Dr. Adani Lokho, Dr. Soma Sukui, or, Jnanenora Retn, or, Adam Dr. Hema Gupta Joshi & Dr. Nandlal Mandal (Department of Botany, VB, Shantiniketan) Shri. Debanjan Pandit & Shri. Durbadal Barman (Department of Botany, Raidighi College)

**Advisory Committe** Prof. Narayan Chandra Mandal (Professor, Department of Botany, Visya-Bharati)

- · Prof. Subrata Mondal (Professor, Department of Botany, Visva-Bharati)
- · Prof. Chowdhury Habibur Rahman (Professor, Department of Botany, Visva-Bharati)
- Dr. Sisir Chatterjee (IQAC Coordinator, Raidighi College)
   Dr. Arunima Biswas( IQAC Jt. Coordinator, Raidighi College)

Shri Uttam Roy Mondal (Teachers' Council Secretary, Governing Body Member & Academic Council Secretary, Raidighi College)
 Dr. Sudhin Sinha (Governing Body Member, Raidighi College)

- Shri Sanat Kumar Purkait (Governing Body Member,
- Raidighi College) Shri Bidyut Saha (Jt. Secretary, Academic council, Raidighi

#### College) Format of the Abstract

Title of the paper:: Bold, 14pt Author's name(s): Bold, 12pt Author's affiliation: Bold, 12pt, Italic, Abstract Body: Text size 12 pt Keywords (at least 4-5 words) Email of presenting author with asterisk superscript (\*)

Events Keynote lectures, Plenary lectures, Oral and Poster Presentations

Prof (Dr.) Dipak Kumar Kar, Vice Chancellor, Sidho Kanho Birsha University, Purulia. Dr. Gouri Saxena, Department of Botany, University of

Lucknow, Lucknow **Plenary Speaker** 

Prof Anita Mukherjee, (Rtd) Professor and Head, Department of Botany, University of Calcutta

Topic:Nanomaterials and plants

Prof. Tapan Kumar Maity, Professor, Department of Pharmaceutical Technology, Jadavpur University, Kolkata Topic: Potential of Plants' secondary metabolites as life saving drugs

Prof. Tushar Kanti Maiti, Professor, Department of Botany, University of Burdy

Topic: Role of Plant Growth promoting Rhizobacteria in stress Agriculture for Sustainable Development Prof. Rita Kundu, Professor, Department of Botany,

University of Calcutta Topic: Phyllanthus amarus: a potential anticancer

herb of India

Prof. Nirmalya Banerjee , (Rtd) Professor , Department of Botany, Visva-Bharati Topic: Propagation and increased secondary

metabolite production of Solanum erianthum through in vitro approach

Guideline for presentation Presentation Mode: Online (Google Meet). The presentation will be of 8 minutes duration & 2 minutes will be given for interaction. The maximum poster dimensions should be 35" x 48" or 48' x 30" or A4 size paper. The file size should not exceed 40 MB. It should be clearly visible to the eyes.

#### PARTICIPANTS:

Researchers, Scientists, Faculty Members, Scholars, Academicians, Students of Universities, Colleges and Institutions

#### IMPORTANT DATES AND DEAD

Abstract submission: January 15<sup>th</sup>, 2022 Notification of Acceptance : January 17<sup>th</sup>, 2022 Registration for participation: January 19<sup>th</sup>, 2022 Registration free but mandatory

Event summary:

The department of Botany, Raidighi college and Department of Botany, Siksha Bhavana, Visva-Bharati jointy organized Two days National Seminar (online), 2022 on 'Cytogenetics, in vitro culture and Phytochemistry of plants and Microbes for Sustainable Use' on January 22<sup>nd</sup> & 23<sup>rd</sup> 2022. The programme started at 10 am on with the opening address by Dr. Anjalika Roy, Assistant Professor, Department of Botany, VB. This was followed by opening song, performed by the students of Visva-Bharati. Subsequently the note of greetings was delivered by Prf. (Dr.) Swadesh Ranjan Biswas, HOD, Dept. of Botany, VB. Prof. Taraprasad Chattopadhyay, Principal, Sikha Bhavana, VB and Dr. Sasabindu Jana, Principal Raidighi College addressed the participants and wished success of the seminar.

The seminar took place in online mode with participation of students, researchers and distinguished faculty members from all over India. Cumulatively about 439 candidates registered and participated in the seminar. During the session Prof. (Dr.) Dipak Kumar Kar, Hon'ble VC SKBU, Purulia and Prof. Gouri Saxena , Dept. of Botany, University of Lucknow had graced for the Key note address. During the two (2) days there were 5 plenary talks by distinguished Professors from National and state arena. We are extremely satisfied to name a few of them to report the spectra of speakers. They are Dr. Anita Mukherjee , Rtd. Professor Dept. of Botany, University of Calcutta, Prof. Tapan Kumar Maity , Dept. of Pharmaceutical Technology, JU, Prof. Tusher Kanti Maiti , Dept. of Botany, BU, Prof. Rita Kundu, Dept. of Botany, CU, Dr. Nirmalya Banerjee, Rtd. Professor, Dept. Of Botany, VB etc. An interactive

session took place at the end of every lecture. In addition of them the seminar had 44 oral and 37 poster presentations in online mode from researchers, students and faculty members of National reputations.

At the conclusion, the valedictory session was conducted by the facuty nmembers from Visva- Bharati and Raidighi College.

#### **Microbiology Students Gain Hands-on Experience at Jangal Para Industry**

Six final-year microbiology students from Raidighi College embarked on a unique learning experience with an industrial visit to Jangal Para, West Bengal. This day-long excursion provided a valuable opportunity for the students to bridge the gap between theoretical knowledge and real-world applications.

Witnessing firsthand how the microscopic processes they study in the classroom translate into largescale production for human needs proved to be an enriching experience. The students enthusiastically observed the industrial processes, gaining a deeper understanding of the practical applications of microbiology in various sectors. This visit served as a crucial complement to their academic studies, equipping them with valuable insights into the future career possibilities within the field.
