## **Institutional Distinctiveness in 2021-22**

Raidighi College is always committed to the empowerment of girl students as per the understanding of UNICEF, to tackle discriminatory gender norms and harmful practices that deny them access to education and self reliance. Three Add-On courses on Applied Spirituality, Yoga & Mental Health; and Communicative English & Personality Development offered by NSS, Physical Education and English Departments, respectively, made a huge impact on the student community.

Our Academic domain is always well aware about the of girl child education in this region. Raidighi College office was appreciated by local Block Development Office for their enrollment and services for Kanyashree Scholarships programs, a unique financial support by the Government of West Bengal. College has organized a Vaccination Camp with special attention to girl students. College felicitated several girls student achievers in February, 2022, where the local Member of Legislative Assesbly Dr Alope Jaldata was present to celebrate the success of a girl student (Ms Pallabi Halder) who was awarded 1<sup>st</sup> among all departments of college in University of Calcutta Examination, 2021.

Our College office maintains separate telegram group for Kanyashree students. All the departments are specifically engaged to monitor the community life of our girl students and even mentoring their family members for necessary support individually and institutionally.
