## Raidighi College: Putting Indian Ethos into Practice

"Atmano mokshartham jagaddhitaya cha," meaning "Serve Man, Serve God," encapsulates the traditional ethos and focal point that distinguishes Raidighi College. **Engaging in selfless service not only instills a deeper sense of responsibility but also enhances students' capabilities**, empowering them to effect meaningful and positive social change as future citizens.

- 1. Origin and uniqueness of Raidighi College:** Our college was founded by a few visionary individuals dedicated to serving their local community. Their contributions, ranging from money to manual labor and even blood donations, laid the foundation for our institution. **Inspired by their sacrifices, our college prioritizes motivating all stakeholders to serve humanity selflessly.** This emphasis on altruism distinguishes us, as our students, predominantly from underprivileged backgrounds, consistently prioritize helping others despite their own challenges.
- 2. College motto of Gyanam, Satyam, Moksham** inimitably embodies the great Indian philosophy of enlightenment and salvation through knowledge and truth. The concept of the 'Highest Truth,' intertwined with 'Oneness in all,' is a blend of spirituality, philosophy, and science. **Science students delve into Quantum theory, uncovering the universe's inherent unity, while Humanities pupils explore the teachings of Indian philosophers, promoting equality and the unity of humanity.** Through education, students grasp that 'Oneness' transcends classroom discussions and is actualized through lived experiences. They are instilled with the belief that selfless service is the epitome of practicing this unity. **Seva, or selfless service, is regarded as the ultimate path to moksha or salvation, purifying the heart and leading to fulfillment.** Thus, our college motto guides students toward growth and deliverance through serving others.
- 3. The College Vision** prioritizes **character development through social engagement.** Echoing Swami Vivekananda's belief that serving others is a fundamental duty, we strive to imbue our students with moral values, ethics, and a sense of responsibility. **Following the principle of "Shiv gyane jiv seba," we emphasize that serving humanity is akin to serving the divine.** These teachings are integrated into our curriculum, seminars, student orientations, and voluntary social initiatives. We firmly hold that every act of selfless service enhances inner strength and fosters spiritual growth.
- 4. Tribute to inspirational leaders:** College buildings, Girls' hostel, Central Library are **dedicated to social and spiritual reformers and visionary educators like Swami Vivekananda, Acharya Jagadish Chandra Bose, Pandit Ishwar Chandra Vidyasagar and Sister Nivedita**, who are the epitomes of selfless service. Students are constantly reminded of their devotion, dedication, preachings and noble works and are encouraged to pay their tributes through community outreach services by actively joining NSS, Green Club etc.

5. **Work of NSS (National Service Scheme) units:** The college NSS units, guided by the motto "Not Me But You," engage in **year-round selfless service through diverse outreach activities**. These include social awareness campaigns, mass education programs, campus cleaning, blood donation drives, health camps, Yoga, and Mind Training/Workshops. Additionally, they have adopted the nearby village of Mundapara to promote better living standards and quality education. **The annual 7-day NSS camps offer valuable opportunities for young volunteers to broaden their perspective, enhance their awareness, and deepen their compassion through social service.** The selflessness and dynamism of these youth, combined with their collective strength, have a profound impact on the rural community. The local administration has commended the outstanding contributions of the college NSS units in uplifting the community.
6. **Certificate course on 'Value Education, Ethics & Applied Spirituality'- Stepping Stone to Organized Social Service:** The college offers a certificate course free of charge, focusing on universal human values and their significance. **This training aids students in transitioning from sympathy to empathy, fostering a sense of blessed oneness and promoting selfless benevolent service to all.** Through 'Seva,' students learn to express love, respect, and humility while **cultivating virtues such as truthfulness, compassion, patience, contentment, self-control, wisdom, and courage.** Despite their busy schedules, teachers devote themselves to instilling the importance of serving others in a worshipful spirit, encouraging regular and organized efforts. Systematic and well-planned social service initiatives enable volunteers to reach out to a wider audience, engaging more individuals in collective action and fostering a sense of unity and permanence in their work.
7. **Indian Knowledge System and Manav Seva:** In ancient India, seva was viewed as essential for spiritual growth and societal progress. The Upanishads emphasized that serving others fosters a sense of unity, benefiting both individuals and society. **Our college embraces this timeless principle through academic, co-curricular, extra-curricular, and cultural activities rooted in the Indian tradition and philosophy of 'Lokah Samastah Sukhino Bhavantu' (May All Beings Everywhere Be Happy and Free).** This ethos encourages us to extend our concerns beyond our immediate circle, prioritizing the welfare of the broader community.
8. **College as a symbol of Support and Hope**
  - (a) Raidighi, located in the disaster-prone Sundarban region, frequently faces devastating cyclones. **Raidighi College plays a crucial role as a Disaster Shelter and Management center, providing essential services to victims of natural calamities in Raidighi Abad Mouza and its surroundings.** Both college staff and students volunteer their services, offering refuge and assistance to those affected by disasters, extending support whenever needed.
  - (b) **Students, teachers, and non-teaching staff actively support the local community during crises such as cyclones or pandemics by organizing and offering voluntary relief services.** These include medical aid, food, water, clothing, financial assistance, and more, until the

- (c) **The college willingly serves as a central hub for social responsibility in Mathurapur Block 2, providing various community services such as vaccination camps, facilitating election centers, and assisting in emergency situations.** A notable initiative was the organization of a COVID vaccination camp on campus, with all teachers volunteering as helpers.
- (d) **The local administration consistently acknowledges and sincerely appreciates the pivotal social role played by Raidighi College, its staff, and students in community services, especially during natural calamities and social emergencies, since its establishment.**
