Marking International Women's Day, the two NSS units of Raidighi College took a proactive stance, organizing a spirited rally outside the campus with a powerful message: "Equal Opportunity." Nearly 17 enthusiastic girl children joined the rally, raising their voices for a just and equitable future.

Back on campus, the celebration continued with an impactful indoor program. Inaugurated by a song, the energy remained vibrant with mesmerizing dance performances and powerful recitations. Dr. Moitra, Program Officer of Unit I, delivered a moving message urging everyone to "act human, not male or female," emphasizing the importance of recognizing our shared humanity.

Building upon this theme, Suvankar Sir, Program Officer of Unit II, presented historical and literary examples, highlighting how societies and nations have prospered when equality prevailed. Through their engaging presentations, both educators ignited a spark of hope and instilled a sense of responsibility in the participants, encouraging them to be active agents of change.

With this multifaceted celebration, the NSS units of Raidighi College not only marked International Women's Day but also planted the seeds of a vision for a future where opportunity thrives for all, regardless of gender.
