

## Wall Magazine – Mathematics Department

Numbers danced across the canvas of knowledge as Raidighi College's Department of Mathematics celebrated National Mathematics Day on December 22nd, 2023. A vibrant wall magazine, meticulously crafted by student hands, blossomed on the bulletin board, its colorful charts and intricate equations singing the praises of the numerical realm.

The inauguration ceremony saw esteemed guests grace the occasion - the Principal, the Convenor and Joint Convenor of IQAC, along with the dedicated department teachers. Their presence infused the event with academic dignity and underscored the value mathematics holds in the college's educational tapestry.

Beyond mere decoration, the wall magazine served as a testament to the students' creativity and passion for their subject. It demystified complex theorems with playful illustrations, unraveled the practical applications of equations in everyday life, and celebrated the lives of mathematical giants through insightful write-ups.

The National Mathematics Day celebrations at Raidighi College didn't just commemorate a day; they instilled a renewed appreciation for the beauty and power of numbers. The student-led initiative sparked curiosity, sparked discussions, and reminded everyone that mathematics isn't just a set of formulas, but a vibrant language that unlocks the secrets of the universe. It was a day when numbers soared beyond textbooks, taking flight on the wings of student creativity and igniting a love for the numerical world in the hearts of all who witnessed it

DEC  
22

**2023**

**NATIONAL** 22nd Dec  
**MATHEMATICS DAY**

National Mathematics Day is celebrated on Srinivasa Ramanujan's birthday in recognition of his contribution to Mathematics.

He made substantial contributions to mathematical analysis, number theory, infinite series, and continued fractions.

He also compiled nearly 3,900 results, such as the Ramanujan prime, the Ramanujan theta function, partition formulae & mock theta functions.

*"An equation has no meaning for me unless it expresses a thought of God."*

Our Sincere Homage on His  
136th Birth Anniversary  
IQAC, Raidighi College
