

Executive Report on the 9th Annual AJC Bose Memorial Lecture

Date: November 29, 2024

Organized by: Raidighi College

Session: 2024-25

Speaker: Prof. Arindam Chattopadhyay, Department of Bengali, University of Burdwan

Overview:

Raidighi College successfully hosted the **9th Annual AJC Bose Memorial Lecture** as part of its academic calendar for the **2024-25 session**. This prestigious lecture series, dedicated to the legendary scientist **Acharya Jagadish Chandra Bose**, aims to promote intellectual discussions and academic excellence. The event featured an enlightening talk by **Prof. Arindam Chattopadhyay** from the **Department of Bengali, University of Burdwan**.

Key Highlights:

- **Inaugural Session:**

- The event commenced with a welcome address by the Principal of **Raidighi College**, who emphasized the importance of the **AJC Bose Memorial Lecture** in fostering academic discourse and interdisciplinary learning.
- Faculty members, students, and invited guests from various departments attended the session, making it a truly engaging event with **80 participants**.

- **Lecture by Prof. Arindam Chattopadhyay:**

- **Prof. Chattopadhyay** delivered a compelling lecture, intertwining **literary, philosophical, and scientific perspectives** inspired by the works of **Acharya Jagadish Chandra Bose**.
- His insights into the **Bengali literary tradition**, coupled with scientific advancements, provided a unique and enriching perspective for the audience.
- The talk encouraged participants to reflect on the **fusion of science and humanities**, showcasing Bose's influence beyond the scientific domain.

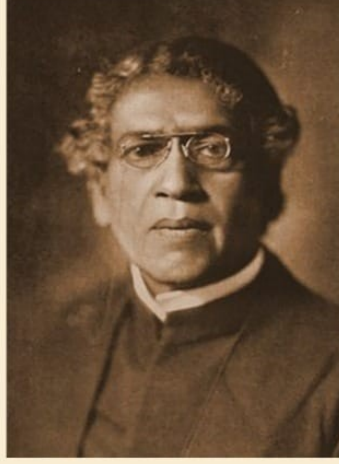

- **Interactive Discussion & Participation:**

- The lecture was followed by a vibrant **interactive session**, where students and faculty members actively engaged with **Prof. Chattopadhyay**, posing insightful questions and discussing various themes explored in the talk.
- The discussion further delved into **Bose's contributions**, his vision, and the broader impact of literature on scientific exploration.

Conclusion:

The **9th Annual AJC Bose Memorial Lecture** at **Raidighi College** was a resounding success, reinforcing the institution's commitment to **intellectual enrichment and interdisciplinary learning**. **Prof. Arindam Chattopadhyay's** thought-provoking lecture left a lasting impact on attendees, fostering a deeper appreciation of the synergy between literature and science. The college

looks forward to organizing future editions of this prestigious lecture series, continuing to inspire academic curiosity and innovation among students and faculty alike.
