In commemoration of National Yoga Day, the two National Service Scheme (NSS) units of Raidighi College organized a joint seminar and workshop. Over 80 students and volunteers participated in the event, actively engaging in learning about the benefits of yoga for both physical and mental well-being.

Mr. Kamal Krishna Khanra, the college's Physical Instructor, took the lead, demonstrating various yoga postures and explaining their individual benefits. He emphasized the positive impact of yoga on physical health, highlighting its ability to improve flexibility, strength, and overall well-being.

Dr. Amitava Moitra, Program Officer of NSS Unit I, delved into the history of yoga, drawing connections to the ancient Vedic period. He explained how yoga practices, including postures and breathing exercises, were used by people in those times to maintain their physical health and well-being.

Suvankar Ghosh Roy Choudhury, Program Officer of NSS Unit II, focused on the mental health aspect of yoga. He discussed the potential of yoga practices to reduce stress, anxiety, and depression, promoting a sense of inner peace and calmness.

The seminar and workshop provided a valuable opportunity for students to learn about the multifaceted benefits of yoga and gain practical experience through the interactive sessions. This event not only celebrated National Yoga Day but also instilled in participants a deeper appreciation for this ancient practice and its potential to improve their overall health and well-being.

On January 11, 2019, the cultural subcommittee and both NSS units of Raidighi College came together to celebrate National Youth Day with a blend of cultural performances, thought-provoking speeches, and insightful lectures. The program commenced with an uplifting inauguration song sung by Suvankar Ghosh Roychoudhury and Dr. Madhumita Majumder, setting the tone for a day of inspiration and learning.

Dr. Sasabindu Jana's keynote address served as a powerful reminder of the potential and responsibilities entrusted upon the youth. Dr. Moitra's exploration of Swami Vivekananda's life pre-and-post meeting Ramakrishna Paramhansa offered valuable insights into the transformative power of mentorship and self-discovery. Dr. Debashree Saha's lecture resonated with the audience, connecting the theme of National Youth Day with the Government of India's vision, igniting a sense of purpose and direction among the young minds present.

With 47 faculty, staff, and students actively participating as volunteers, the event fostered a collaborative spirit and a shared commitment to the ideals embodied by National Youth Day. The day's program successfully balanced cultural vibrancy with intellectual discourse, leaving a lasting impression on all who attended.

Marking National Yoga Day, Raidighi College embraced inner peace and mindful movement. Led by the dedicated Department of Physical Education, the event saw 26 enthusiastic participants gather to learn and practice yoga postures.

The atmosphere buzzed with positive energy as instructors skillfully demonstrated various postures, explaining their benefits and proper technique. From the grounding stability of Tadasana (Mountain Pose) to the calming serenity of Child's Pose, participants were guided through a journey of physical and mental exploration.

But the celebration wasn't confined to the physical. The presence of the college Principal added a touch of inclusivity and leadership, demonstrating the value placed on well-being within the Raidighi community.

More than just stretching and breathing, the event likely fostered a sense of connection and mindfulness among participants. The shared experience of yoga transcended individual differences, creating a space for collective well-being and stress reduction.

With graceful movements and focused breaths, Raidighi College successfully celebrated National Yoga Day, leaving a lasting impression on all who participated. The event's impact likely extended beyond the day, inspiring individuals to incorporate yoga practices into their daily lives for improved health and inner peace.

World Heart Day 2019

Date: 29-09-2019

Department of Food and Nutrition observed World Heart Day on 29th September 2019. The aim of the event was to spread awareness about the importance of keeping the heart fit as it's one of the most important organs. This year's theme was 'My Heart, Your Heart' emphasizing the importance of taking care of not just our own hearts but also the hearts of the people around us. The event focused on staying active with regular exercise, maintaining a healthy heart and avoiding smoking. Students participated in an extempore competition organized by the department. The event started from 11am onwards at S. R. Basu Memorial Conference Hall. Departmental faculties Ms Rushana Irani, Dr. Arvinda Shaw and others were present. IQAC Jt Coordinator Dr. Arunima Biswas's welcome address boosted every participant. 30 students actively participated in the event. **Pragna Kayal, Trishna Maity, Susmita Jana, Suishita Das, Fatema Molla, Rita Manna, Kaberi Maity, Jaya Bhowmik, Suprava Giri, Swagata Santra, Tuhina Ghorai, Manisha, Susmita Jana, Bidisha Purkait, Sutapa Halder, Tanmoy Jana, Budhhadeb Maity, Shamim Ahmed Khan, S. K. Nadim, Prasenjut Das, Swagata Lakshi Naiyya and Soumyasree Maity** were present.

**Speaker: Dr. Sohini Roy (Assistant Professor,
Department of Food & Nutrition, Women's College,
Kolkata)**

Presentation

COVID 19 - THE PANDEMIC

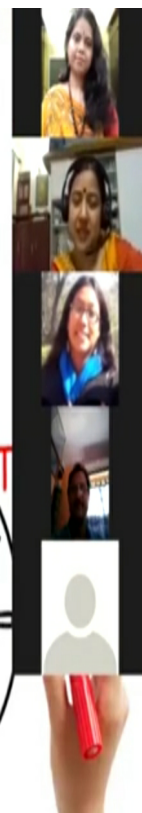

- Total affected : 5,82,921 , deceased : 17,347
- Nationwide lockdown in 5 phases for : 98 day
- Nearly 40 million internal migrants affected
- The Indian economy has lost around Rs 30.3 la
- The UN World Food Program has estimated 265 million people to face acute food shortage

is a time to **think deeply**

- Time to **maximize our available resources**
- Time to give **importance to quality** within a definite quantity and resources

NO SINGLE FOOD IS A SUPER FOOD & NO SINGLE NUTRIENT IS A MAGIC NUTRIENT

**A BALANCE OF MACRO & MICRO NUTRIENTS
THE KEY**

Carbohydrates

Complex carbohydrates
comprise of whole grains,
vegetables

Whole wheat flour , corn
recommended in the diet

Locally available fruits and
should also be included

Refined carbohydrate should
restricted. Handmade rotis
whole flour is preferred
from Maida.

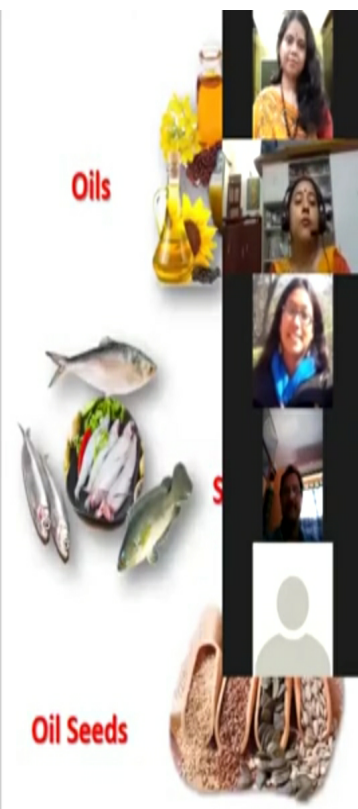

Simple sugar , sweetened beverages and
carbonated drinks should be restricted
in the diet

Good Fats are essential

Fats are essential for metabolic processes and necessary for absorption of fat soluble vitamins

- Fats should make up 20-30% of daily calorific intake
- Ratio of fats for healthy diet should be SFA:MUFA:PUFA – 1:1.5:1
- Saturated fats may be obtained from animal products and dairy
- MUFA can be sourced from olive, groundnut, almond, rice bran oils
- PUFA can be sourced from walnut, soybean, safflower oils
- Omega 3 : ALA (Flax seeds, sesame seeds, pumpkin seeds) , EPA & DHA (Hilsa, Koi, Bombay Duck, Mackerel)
- Avoid trans fat in diet

Immuno Boosting Micro Nutrients

Vitamin A

Foods rich in Vitamin A but easy on your pocket

Specific Roles

- Integrity of physical barriers
- Antimicrobial effects
- Antioxidant
- Phagocytosis
- Anti inflammatory
- Proliferation and differentiation of T cells
- Production and development of antibody
- Antibody responses to antigen
- B cell- mediated IgA antibody responses

Vitamin C

- Promotes collagen synthesis
- Reduces free radical damage
- Promotes Phagocytosis
- Improves anti-microbial effects
- Regeneration of glutathione and vitamin E
- Decreases histamine
- Differentiation, proliferation and normal functioning of T-cells
- Promotes Anti-body production

Vitamin C deficiency results in impaired immunity and higher susceptibility to infections

Steps To Maximize Vitamin C Uptake

- Consume the fruits and vegetables in raw form
- Eat sprouts 3-4 times in a week
- Do not cut the fruits before washing
- Consume the fruits as soon as possible after cutting
- Cut the fruits and vegetables as big as possible
- Do not overheat foods containing Vit C as it heat labile

GUAVA	KIWI	AMLA
		
228 mg/100 gm	92.7 mg/100gm	600 mg/100gm

Vitamin D

Sources

- ❖ Milk and milk products

- ❖ Sunlight exposure between 11am-1pm
- ❖ For optimum absorption, expose bare arms and bare face

Vitamin D – An Immunity Booster

- Antimicrobial property
- Helps in maintaining Healthy gut microbiota
- Differentiation of monocytes to macrophages, phagocytic ability of macrophages
- Reduces proinflammatory cytokines
- T cell proliferation
- Antibody production and development

Zinc

- Has a positive role in immune response to viral and bacterial infections
- Influences both innate and acquired immunity
- Inhibits the binding of cold viruses to the nasal mucosa and suppresses inflammation
- Also has shown to inhibit the activity and replication of SARS Corona Virus

Se

Fact: There is no evidence that drinking lots of water flushes out the new coronavirus. However, for good health in general, it is recommended that people should have adequate water every day for good health and to prevent dehydration.

HYDRATING FOODS

Precautions to be taken while purchasing food

- Carry a sanitizer (70% alcohol based)
- Carry your own shopping bag/basket.
- Do not go shopping if you feel sick
- Select less crowded shops for shopping.
- Maintain a separate set of clothes and footwear for going out
- Keep all the shopped items separately.
- The used mask/gloves should be disposed
- Maintain social distancing
- Only touch products/items you intend to purchase
- Don't touch your mouth, eyes and nose at any point of time.
- Sanitize/disinfect food packages by wiping them with an alcohol based solution or soap
- Keep fruits and vegetables bought for four hours within the packet itself in an isolated place.
- Wash fruits and vegetables thoroughly with lukewarm water
- Always clean meat at the end after cleaning of fruits and
- Avoid taking broken and damaged eggs.
- Refrigerate eggs immediately after washing

Precautions to be taken when preparing food

- Wash hands for at Least 40-60 seconds with clean water and soap before preparing, serving and eating food
- Clean and disinfect food preparation surfaces (including the kitchen sink), equipment, and utensils with hot soapy water before and after preparation of food.
- Use clean knives, chopping boards, plates, bowls, etc. for food preparation.
- Avoid cross contamination during food preparation
- Separate chopping boards, knives, utensils and containers are used for cutting/chopping or cooking of vegetarian and non-vegetarian food/ raw and cooked food.
- It is advisable to cook food thoroughly and it should be prepared for immediate consumption.
- All food items should be kept covered.
- During COVID-19 pandemic, it is advisable to avoid sharing of meals, spoons, plates etc.

Thank You

Webinar on Chemistry in Managing Coronavirus Outbreak for a Better Living Tomorrow

Date: 22nd August 2020

Raidighi College
Presents
A Webinar Series
on
"Sustainable Living"
(A series of lectures defining sustainable lifestyle during the current pandemic era)
Organized by
Department of Food & Nutrition and Department of Chemistry

Lecture 4: Chemistry in Managing Coronavirus Outbreak for a Better Living Tomorrow

Speaker:
Dr. Amit Saha
(Assistant Professor,
Department of Chemistry,
Jadavpur University,
Kolkata)

Dr. Saha has been working in the field of Synthetic Organic Chemistry. His research interest involves C-C and C-heteroatom cross-coupling reactions using transition metal catalysts, C-H activation reactions, magnetic heterogeneous catalysts and green synthetic methodologies for useful organic compounds.

Chairman: Dr. Sasabindu Jana (Principal, Raidighi College)

Convenors: Ms. Rukshana Irani (Assistant Professor, Department of Food & Nutrition)
Dr. Debasree Saha (Assistant Professor, Department of Chemistry)

Organizing Committee: Dr. Arvinda Shaw

Awareness program on Immunonutrition and its role to fight Covid 19

Date: 02-06-2020

Department of Food and Nutrition organized an awareness program on Immunonutrition and its role to fight Covid 19 on 2nd June 2020. All departmental faculties were present in the virtual program. Resource person was Mrs. Malabika Datta, Head, Department of Dietetics and Nutrition, Kothari Medical Centre and Chapter Convener, IDA, Bengal Chapter. **Sathi Ghosh, Pragna Kayal, Sneha Halder, Arunima Bhattacharya, Sutapa Halder, Manasi Chakraborty and B.Sc. sem 3 hons students** actively participated in the event. The event video was uploaded in college webpage and the link is shared below

Concept note

The good news and bad news is that “nothing lasts forever.” Often when you think that you are at the end of something, you are at the beginning of something new. The secret of change is to focus all your energy not on fighting the old, but on building the new.

We find ourselves joined together across the world, waiting for Covid-19 to reveal our future. But it is a perverse oracle, revealing only our pasts, the disparities and distances between us and within us. Time is smiling to itself refusing to be planned, pushing us to not ask ourselves whether time is enough, but implore if we ourselves are enough for the time.

Education has been hit particularly hard by Covid-19 pandemic impacting 87.6% of the world's total enrolled learners. The “pile on effect” is that, during Covid-19 pandemic, interruption to education can have long term implications-especially for the most vulnerable. So continuing education through alternative learning pathway must be a top priority now.

The pandemic outbreak has put human life at stake, no doubt. As Swamiji said, “Education is the pillar of success” or “Education is the manifestation of the perfection, already in man”, the academic fraternity globally is trying all means to cope up with all odds and maintain the streamline of education to remain vibrant. The academic fraternity globally is trying all means to cope up with all odds and maintain the streamline of education to remain vibrant. As we all know, the mid-semester as well as the end-semester students have all got stuck in a bottle-neck condition at home due to the pandemic. Except for a period of some online classes that were scheduled, they never had a window to go through their existing curriculum. But the devastating “Amphan” tragedy that struck the South 24 Parganas mercilessly, got our students stranded; many stood under the open sky. Online classes were at that point totally an unrealized dream. But both of us, teachers as well as students availing technical support slowly revived from the disastrous condition and we wish to step forward to complete our course of study in Microbiology curriculum.

At this point, we do observe a silver lining for the grey cloud of COVID-19 by stating that we definitely could not have the opportunity to bring so many eminent personalities under one roof whose talks all through shall enrich the students and show them new avenues of thought.

This International Web lecture series arranged for the students of Microbiology, aims to provide them with a platform where they can interact with top level experts from India and abroad about syllabus related topics, applications of Microbiology and job prospects in industry and also obtain psychological counselling to help them cope with the current pandemic situation.

Ultimately the greatest lesson that Covid-19 can teach humanity is that we are all together in this hour of crisis.

Resource Persons

Dr, Dhrubajyoti Chattopadhyay: Vice Chancellor, Sister Nivedita University

Dr. Koustubh Panda: Professor, Department of Biotechnology & Dr. B.C. Guha Centre for Genetic Engineering & Biotechnology, Calcutta University

Dr. Ambika Charan Banerjee: Former Corporate Advisor-R&D, EIPWL

Dr. Sagarmoy Ghosh: Professor, Department of Microbiology, Calcutta University

Dr. Roopa Biswas: Associate Professor, Department of Biochemistry,
Uniformed Service University, USA

Dr. Ratan Gachhui: Professor, Department of Life Science & Biotechnology, Jadavpur University

Dr. Sanjay Ghosh: Professor, Department of Biochemistry, Calcutta University

Dr. Pritha Mukhopadhyay: Professor, Department of Psychology, Calcutta University

Audience

Professors, students, researchers from different colleges and universities can participate.

Itinerary

Date	Time	Speaker	Topic	Email address
25-07-2020 Saturday	10:00 am onwards	Dr. Dhrubajyoti Chattopadhyay, VC, Sister Nivedita University	Understanding Viral Infection: A real challenge.	snuniv.ac.in

31-07-2020 Friday	10:30am onwards 4:00 pm onwards	Dr. Sanjay Ghosh, Professor, Dept of Biochemistry, CU Dr. Pritha Mukhopadhyay, Professor, Dept of Psychology, CU	Industrial application of Microbiology Stress during confinement: Can we Develop our coping resources?	sgbioc@gmail.com prithamukhopadhyay@gmail.com

Technical Specifications

Meeting ID and other information will be sent to enrolled participants through email.

All participants are requested to keep their audio and video muted during the talk.

They shall be allowed to communicate through chat of Google Meet to ask questions during the webinar as per instruction of the organizer.

Organizers will not be responsible for any comments made by speakers or participants.

E- certificate will be provided at the end of the seminar. Feedback link to receive certificate through e-mail will be provided 15 minutes before the end of the seminar.

Organizing Committee

Patron:

Dr. Satyabrata Sahoo, Principal, Dhruba Chand Halder College

Dr. Sasabindu Jana, Principal, Raidighi College

Convenor:

Dr. Malini Basu, HOD, Dept of Microbiology, Dhruba Chand Halder College

Joint Convenor:

Dr. Arunima Biswas, HOD, Dept of Microbiology, Raidighi College

Members:

Prof. Nirza Muktan, Dept of Microbiology, Dhruba Chand Halder College
(compilation and editing)

Prof. Dipankar Roy, Dept of Microbiology, Dhruba Chand Halder College

Prof. Pampa Bhattacharya, Dept of Microbiology, Dhruba Chand Halder College

Dr. Shakuntala Ghorai, Dept of Microbiology, Raidighi College

Prof. Prabir Sahoo, Dept of Microbiology, Raidighi College

Technical Assistance:

Dr. Jaydev Misra, Assistant Professor, Dept of Economics, Dhruba Chand Halder College

Soumyadeep Das, 3rd Year, Physics Honors, Dhruba Chand Halder College

Pratyay Ghosh, 3rd Semester, Electronics and Instrumentation, Techno Main, Salt Lake

“MAKING SENSE OF UNCERTAINTY: COPING IN THE ERA OF CORONAVIRUS”

We welcome all our dear students, and faculties to join us for our 7 days
International Web Lecture Series.

ORGANIZERS

DEPT OF MICROBIOLOGY & IQAC,
DHRUBA CHAND HALDER COLLEGE

DEPT OF MICROBIOLOGY & IQAC ,
RAIDIGHI COLLEGE

DAY-1: JULY 25, 2020

Speaker of the day:

**Dr. Dhrubajyoti
Chattopadhyay**

Vice-Chancellor, Sister Nivedita
University

Topic: ***“Understanding Viral
Infection: A real challenge.”***

DAY-2: JULY 26, 2020

Speaker of the day:

Dr. Koustubh Panda

Professor, Dept. of Biotechnology & Dr. B.C. Guha
Centre for Genetic Engineering & Biotechnology,
CU

Topic:

***“ Innovation and Job Creation in
Biotechnology:***

The Survival Challenges for India” ...

Encouraging entrepreneurship among youth

DAY-3: JULY 27, 2020

Speaker of the day:

**Dr. Ambika Charan
Banerjee**

Former Corporate Advisor-R&D,EIPWL

Topic:

***“ A Brief Overview of Bioreactors,
Fermentation and Immobilized cell
systems”...***

From laboratory to industry

DAY-4: JULY 28, 2020

Speaker of the day:

Dr. Sagarmoy Ghosh

Professor, Dept. of Microbiology, CU

Topic: “ *Why Virology is still so relevant?*”

DAY-5: JULY 29, 2020

Speaker of the day:

Dr. Roopa Biswas

Associate Professor, Dept. of Biochemistry,
Uniformed Service University, USA.

Topic: “ *Micro-RNAs in Health and
Diseases.*”

DAY-6: JULY 30, 2020

Speaker of the day:

Dr. Ratan Gachhui

Professor, Dept. of Life Science &
Biotechnology, JU

Topic: ***“Microbial Growth and Effect
of Environment on Microbial
Growth.”***

DAY-7: JULY 31, 2020

Speaker-1 of the day:

Dr. Sanjoy Ghosh

Professor, Dept. of Biochemistry,
Calcutta University

Topic: “*Industrial application of
Microbiology*”

DAY-7: JULY 31, 2020

Speaker-2 of the day:

**Dr. Pritha
Chattopadhyay**

Professor, Dept. of Psychology,
Calcutta University

Topic: ***“Stress during Confinement:
Can we develop our coping
resources?”***

Making Sense of Uncertainty: Coping in the Era of Coronavirus

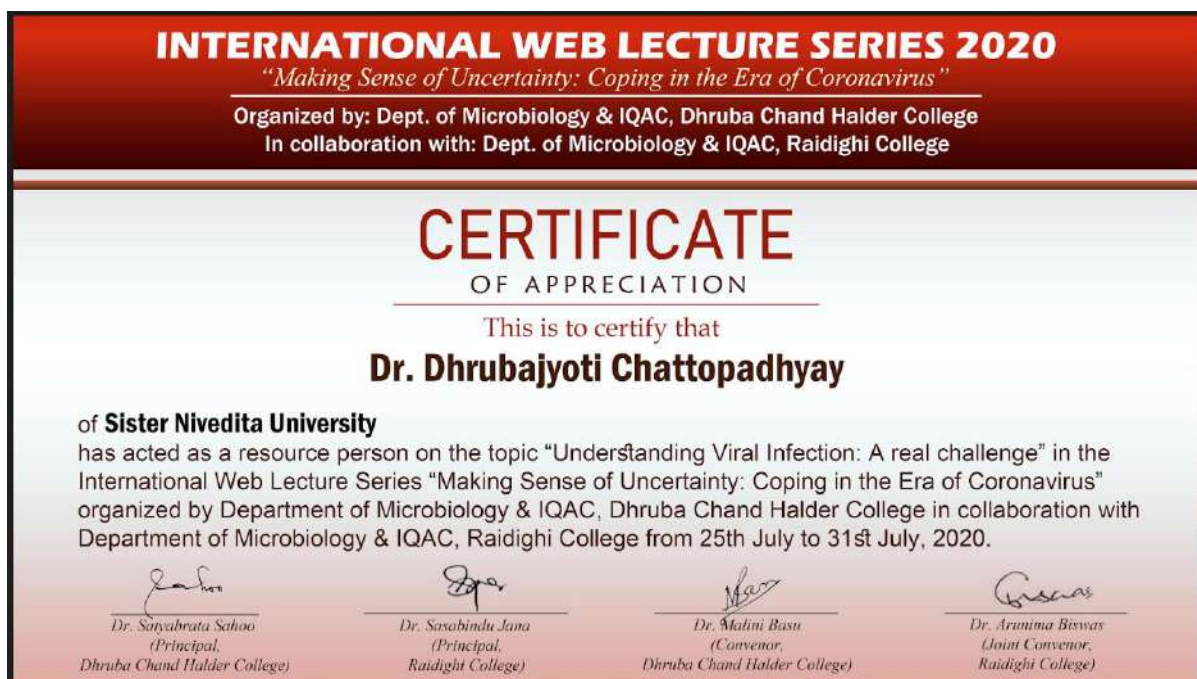

An International 7-day Webinar Series was organised from 25th to 31st July, 2020 by the Department of Microbiology & IQAC of Dhruba Chand Halder College and Department of Microbiology & IQAC of Raidighi College on "Making Sense of Uncertainty: Coping in the Era of Coronavirus".

The series aimed to address different topics of modern Biology in order to~

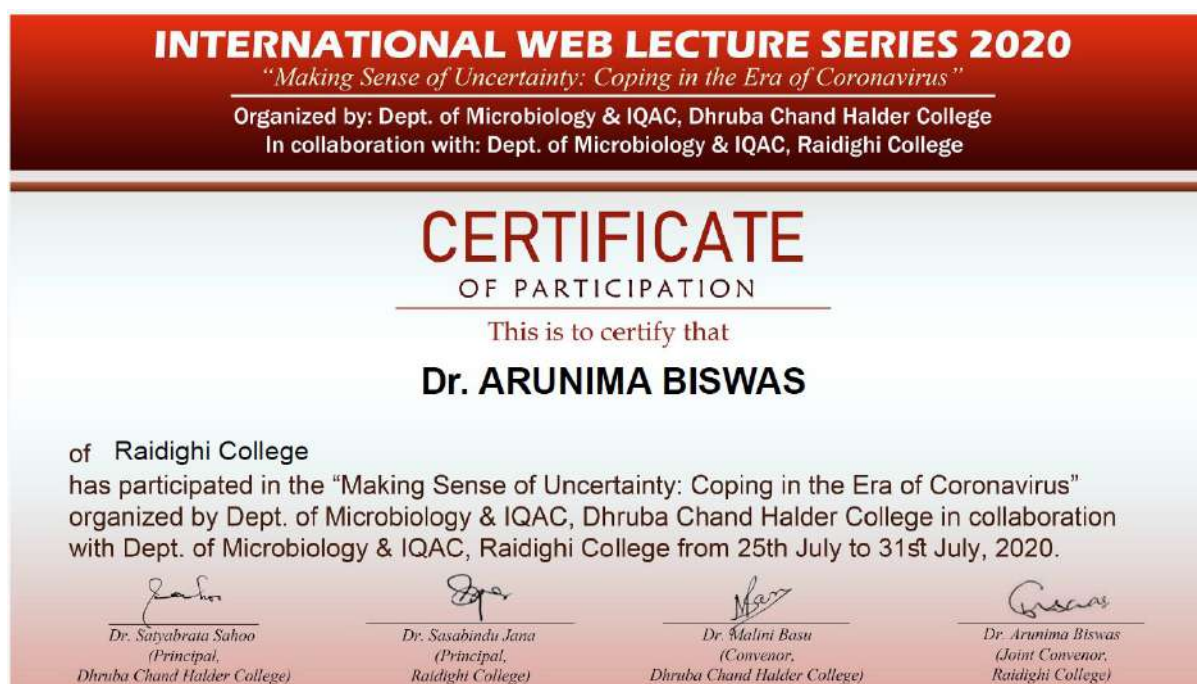

- promote an aptitude of research and scientific thinking in our students,
- to familiarize them with novel therapeutic interventions,
- to enrich their knowledge on viral infections,
- to provide an open platform of scientific exchange,
- to introduce them to academia-industry interface,
- to explain industrial applications and concept of technology transfer ecosystems
- to encourage a spirit of self-reliance and entrepreneurship

There was also a session on psychological counselling to cope with the stress of pandemic and lockdown.

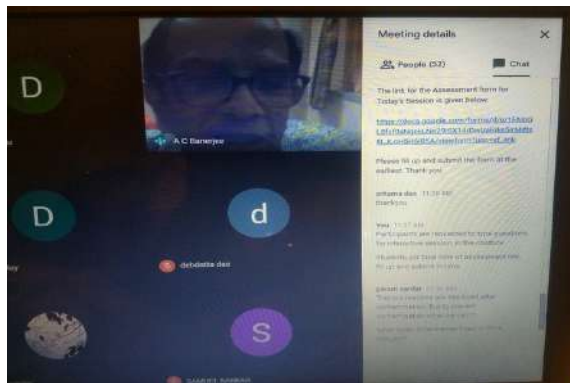

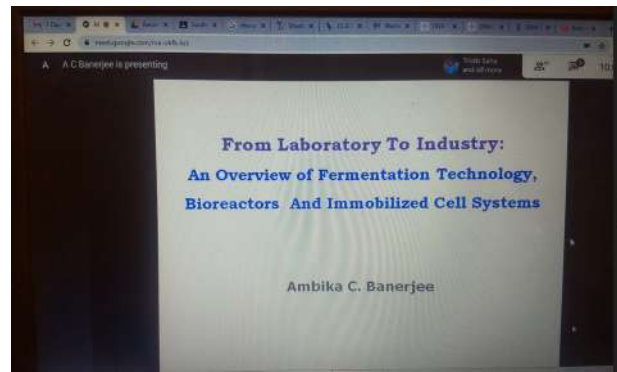

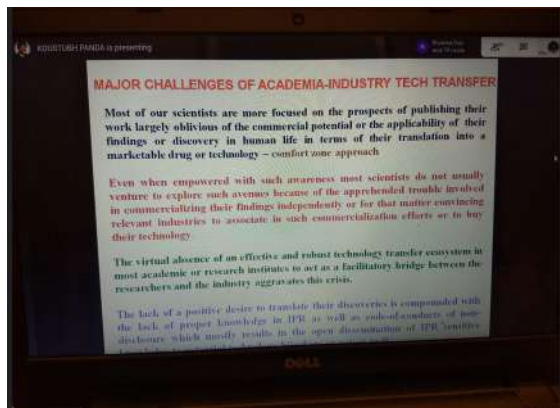

Every session was followed by a short assessment to evaluate student understanding.

Youth Day Celebration by NSS

(Date: 12/01/2021)

159th Birth Day of Swami Vivekananda was celebrated as Youth Day by NSS wings of Raidighi College on 12th January 2021 to spread the words of wisdom, spiritual thoughts of Swami Vivekananda and enlighten everyone to make themselves aware of the potential hidden in them. Swami Tattwatitananda from Ramakrishna Institute of Culture, Golpark inspired listeners with his words describing some small events from Swamiji's life and his long journey of exploring and discovering real India. He also narrated Swamiji's eagerness in rousing religious consciousness among his countrymen applying the principles of practical Vedanta. NSS Program Officers Dr. Amitava Moitra and Mr. Suvankar Ghosh Roychowdhury continued further and interpreted to the students so that they can relate to the words of Swami Vivekananda to understand religion, Swamiji's concept of 'potential divinity of the soul' and principles of morality and ethics.

English Language Day by Department of English (Date: 23/04/2021)

On 23rd April 2021 Department of English observed English Language Day to promote the language in community and to celebrate multilingualism. In his address, departmental faculty Mr. Debashis Biswas explained the significance of the day. Mr. Bidyut Saha narrated the evolution of linguistics and importance of English language in the introductory speech. Students from Semester II, IV and VI presented on various features of English language, its history, development, culture and applications.

Theme of the event is described below:

According to WHO, while the world focuses on critically important new vaccines to protect against COVID-19, there remains a need to ensure routine vaccinations are not missed. Many children have not been vaccinated during the global pandemic, leaving them at risk of serious diseases like measles and polio. Rapidly circulating misinformation around the topic of vaccination adds to this threat. In this context, this year's campaign during World Immunization week aimed to build solidarity and trust in vaccination.

Theme was "Vaccines bring us closer".

The webinar also focused on the extreme importance of getting the covid- 19 vaccine, especially in the light of the menacing second wave of infection.

Chief patrons of the event were Dr. Sasabindu Jana, Principal of Raidighi College, IQAC of Raidighi College & Prof. Arvind Deshmukh, all India President of MSI.

Dr. Swapna Mukherjee, who is the Head of the Dept. of Microbiology, Dinabandhu Andrews College, Kolkata and the State President of West Bengal unit of MSI, acted as chief advisory of the event.

Organizing Team from Dept. of Microbiology, Raidighi College, included Joint Convenors Dr. Arunima Biswas (HOD and one of the state coordinators of MSI, West Bengal Unit) & Dr. Shakuntala Ghoraian and also Mr. Prabir Sahoo (Organizing Secretary of the webinar).

The event started with the welcome address given by Dr. Sasabindu Jana, Principal of Raidighi College.

Dr. Arunima Biswas introduced the theme of the webinar.

Induction Speech was given by Prof. Arvind Deshmukh, President, MSI. He emphasized on the urgency of getting vaccinated against Covid-19 virus and appealed for spreading awareness on the same.

Main speaker was Dr. Susobhan Mondal, Consultant Physician at Apollo Gleneagles Hospital, Kolkata. His lecture focused on the history of vaccine development and the importance of different vaccines in children, women and senior citizens. He also highlighted why proper vaccination is critical to ending the COVID-19 pandemic.

Dr. Swapna Mukherjee shared her views and elaborated on the various academic and social activities of the state unit, especially in the pandemic situation.

Dr. Sisir Chatterjee, IQAC Coordinator, Raidighi College, thanked Prof. Deshmukh for giving this rural college an opportunity to work together with the prestigious MSI.

Participants: Registered participants in Google meet platform included faculty members, research scholars and students from different colleges and universities, scientists, doctors, medical students from across the nation.

Live streaming was done through YouTube channel of Raidighi College.
(<https://www.youtube.com/watch?v=Lt0bWKXJsQY>)

The interactive session with the speakers was very fruitful.

The program also included a session during which winners were announced for an online State Level Slogan Competition held earlier to observe WORLD MALARIA DAY, 25th April, 2021. The competition was for students from West Bengal, and it was organized by Dept. of Microbiology, NSS and IQAC of Raidighi College and West Bengal Unit of Microbiologists Society, India.

The event ended with vote of thanks delivered by Dr. Shakuntala Ghorai.

Feedback received from the participants was very positive and encouraging. Many of them said that the webinar had helped clear many doubts and fears regarding vaccination and filled them with hope.

RAIDIGHI COLLEGE

presents

SIR J. C. BOSE Annual Memorial Lecture

Organized by

Department of Botany and

Department of Physics

In collaboration with IQAC & Webinar Committee

Google Meet joining Link:

<https://meet.google.com/ser-fzrp-vax>

Inaugural Session

10.20-10.30AM

Entry to the meeting

10.30-10.35AM

Introductory Speech by Dr. Madhumita Majumder
(Convener, Department of Botany)

10.35-10.40 AM

Welcome Address by Dr. Sasabindu Jana (Principal, Raidighi College)

10.40-10.45 AM

Speech by Dr. Alok Jaldata (MLA, Raidighi Vidhan Sabha Constituency & Governing
Body Member, Raidighi College)

Speech by Dr. Sisir Chatterjee (IQAC, Co-ordinator)

Speech by Prof. Sanat Kumar Purkait (Secretary, Academic Council)

Introduction of the speaker by Prof. Rukshana Irani (Convener, Webinar Committee)

Technical Session-I

10.45 AM-12.00

Speaker: Prof. Krishnendu Acharya, FICN

Department of Botany

University of Calcutta Kolkata- 700019

Topic: After graduation ???? Be an Entrepreneur

Interactive Session to be conducted by Prof. Asim Panda

(Organizing Secretary, Department of Botany)

Introduction of the speaker by Dr. Shreyasi Pal

(Convener, Department of Physics)

Technical Session-II

12.00 -1.30PM

Dr. Supriyo Kumar Das

Assistant Professor

Department Of Geology

Presidency University, Kolkata-700073

Topic: 'Kolkata Factor of Prof. JC Bose's Legendary Experiment'

Interactive Session to be conducted by Dr. Amitava Moitra

(Organizing Secretary, Department of Physics)

Vote of Thanks by Dr. Shreyasi Pal (Convener, Department of Physics)

Posting of feedback link on chat box

**All Students, Research Scholars and Faculty members are cordially invited
to participate in the program.**

Patron: Dr. Sasabindu Jana (Principal, Raidighi College)

Conveners: Dr. Madhumita Majumder (Dept. of Botany) &

Dr. Shreyasi Pal (Dept. of Physics), Raidighi College

Organizing Secretaries: Dr. Sisir Chatterjee (IQAC, Co-ordinator)

Certificate of Appreciation

Dear Dr. Das,

It gives immense pleasure to extend my heartfelt thanks and appreciation to you for gracing the event as the resource person on the occasion to celebrate the Sir J.C. Bose Annual Memorial Lecture held on 19th July, 2021 from 10.30 am-2.30 pm. This celebration was organized by the Department of Botany and Department of Physics in collaboration with IQAC and Webinar/Seminar Committee, Raidighi College.

I really enjoyed your lucid presentation and enriched myself from your research findings just as the other participation did. We would love to associate with you again in near future.

Best wishes,

Dr. Sasabindu Jana

World Heart Day 2021

Date: 29-09-2021

Department of Food and Nutrition observed World Heart Day on 29th September 2021 on virtual platform. The 2021 World Heart Day theme was indeed "Using Heart to Connect: Harnessing the power of digital health to improve awareness, prevention and management of CVD globally." Telehealth is a critical tool in achieving this goal. Some ways are crucial in present scenario like digital health, including telehealth, can be used to combat CVD (cardiovascular disease) through increased awareness such as educational apps and websites can spread information about CVD risk factors, symptoms, and prevention strategies. Social media campaigns can reach a wider audience and encourage healthy habits.

Telehealth improves prevention for example wearable devices can monitor heart rate, blood pressure, and activity levels, helping individuals identify potential problems early. Moreover, digital health platforms can offer personalized coaching and support for adopting healthy lifestyles. It also enhances management like telemedicine consultations allow patients with CVD to connect with healthcare professionals remotely, improving access to care and monitoring. Digital tools can help patients track medications, manage chronic conditions, and stay motivated with treatment plans. By leveraging telehealth and other digital health solutions, we can significantly improve CVD outcomes around the world. "USE HEART TO BEAT CVD" is a powerful message, and digital health plays a key role in making it a reality.

Students of Food and Nutrition Department performed one short drama to spread awareness amongst student and their extended community regarding avoidance of junk food and importance of balanced diet to take proper care of our heart. Departmental faculties Ms. Rukshana Irani, Dr. Arvonda Shaw, Ms Shrabanti Kundu, Ms Jayanti Dhara encouraged and guided the students. Krishna Middya, Anindita Purkait, Subhashri Mandal, Rama Neogi played the characters of a student, her mother, the doctor and a consultant dietician. The video was edited by another student Tarun Halder. It was really enjoyable to watch!!

National Level Webinar on 'Career Prospects in Microbiology'

Date: 2nd Oct 2021

A National Level Webinar was organised on 'Career Prospects in Microbiology', on behalf of Department of Microbiology, Career Counselling and Placement Committee & IQAC of Raidighi College in collaboration with Department of Microbiology & IQAC of Sammilani Mahavidyalaya on 2nd October, 2021, from 11am – 2pm.

Speakers were industry personels:

- Dr. Neeloy Samaddar, Manager, Operations and Quality, NCourage Social Enterprise Foundation, TATA Chemicals Ltd.
- Mr. Avik Dutta Gupta, Senior Officer (QC Microbiology), Sun Pharma Laboratories Ltd., Guwahati, Assam.

Link: https://www.youtube.com/watch?v=f_TUw-mNOBE&t=4471s

Total number of registered participants in Google meet platform was 91 and consisted mostly of students, who later gave very positive and encouraging feedback. The webinar aimed to enlighten them on the career opportunities in Microbiology and related disciplines to help them take future career decisions.

There was a special tribute session organised by teachers and students of both the colleges to pay homage to Mahatma Gandhi and Sri Lal Bahadur Shastri.

Programme Schedule

National Level Webinar on Career Prospects in Microbiology

Date: 2nd of October, 2021, from 11am to 2.30pm

Resource Persons

Dr. Neeloy Samaddar
Manager: Operations and Quality
NCourage Social Enterprise Foundation
TATA Chemicals Ltd.

Mr. Avik Dutta Gupta
Senior Officer (QC Microbiology)
Sun Pharma Laboratories Ltd.
Guwahati, Assam

CHIEF PATRONS

Dr. Santiranjan Palchoudhuri, Principal, Sammilani Mahavidyalaya
Dr. Sasabindu Jana, Principal, Raidighi College.

Convenors

Dr. Sharmila Chakraborty, HOD, Dept. of Microbiology, Sammilani Mahavidyalaya
&
Dr. Arunima Biswas, HOD, Dept. of Microbiology and
Convenor, Career Counselling and Placement Committee, Raidighi College

Organizing Committee

Faculty members of Dept. of Microbiology, Raidighi College
(Dr. Shakuntala Ghorai, Mr. Prabir Sahoo)

and

Faculty members of Dept. of Microbiology, Sammilani Mahavidyalaya
(Ms. Pamela Dutta Roy, Ms. Aryoma Chakrabarti, Ms. Madhuwrita Saha)

and

IQAC of Sammilani Mahavidyalaya and Raidighi College

&

Career Counselling and Placement Committee, Raidighi College

Login starts from 10.50 am on Google meet platform.

Program starts from 11am.

- > 11.00am - 11.05am: Welcome Address by Dr. Sharmila Chakraborty, Convenor.
- > 11.05am - 11.10am: A tribute to the **FATHER OF THE NATION**.
- > 11.10am - 11.20am: Principals' Address ~ [Speech by Dr. Santiranjan Palchoudhuri, Principal, Sammilani Mahavidyalaya and by Dr. Sasabindu Jana, Principal, Raidighi College]
- > 11.20am - 11.30am: Messages from IQAC ~ [Speech by Dr. Srikanta Malakar, IQAC Coordinator, Sammilani Mahavidyalaya and by Dr. Sisir Chatterjee, IQAC Coordinator, Raidighi College]
- > 11.30am - 11.35am: Introduction of 1st speaker by Dr. Sharmila Chakraborty.
- > 11.35 am onwards: Lecture by Dr. Neeloy Samaddar, followed by 10 minutes interactive session, conducted by Ms. Pamela Dutta Roy.
- > 12.45pm - 12.50pm: Introduction of 2nd speaker by Mr. Prabir Sahoo.
- > 12.50 pm onwards: Lecture by Mr. Avik Dutta Gupta, followed by 10 minutes interactive session, conducted by Mr. Prabir Sahoo.
- > 'Vote of Thanks' by Dr. Shakuntala Ghorai.
- > Posting of feedback link on chat box.

****Program Comper: Dr. Arunima Biswas, Convenor.**

Webinar Summary

The webinar was hosted by convenor Dr. Arunima Biswas who invited Dr. Sharmila Chakraborty, also convenor, to deliver the welcome address. This was followed by a special tribute session in which teachers and students of both the colleges paid their humble tribute to Mahatma Gandhi and Sri Lal Bahadur Shastri on their birth anniversary.

After that the Principals of both colleges delivered their special addresses, encouraging students to focus on enhancing their skills to improve their employment opportunity as well as to consider becoming entrepreneurs in their respective field of study. They both expressed their hope that this webinar would help the students choose their career path. The IQAC Coordinators also stressed the importance of skill enhancement and soft skill development to have a successful career.

Dr. Chakraborty introduced the first speaker, Dr. Neeloy Samaddar who then gave a lucid lecture on industrial quality adherence with regards to food and drinking water, a lucrative career scope in industry for budding microbiologists. He elaborated on how a microbiologist can work in R&D sector of food and beverage industry where his job description would include quality assurance, microbial safety, product testing, shelf-life parameters etc of food items like honey, turmeric. He also elucidated global and national drinking water standards and how microbiologists can work in water purification plants.

The next speaker Mr. Avik Dutta Gupta was introduced by one of the organising members Mr. Prabir Sahoo and he went on to talk about career prospects in the pharmaceutical industry where job descriptions include microbial limit test, sterility testing, bacterial endotoxin test and microbial safety testing of a wide range of medicines and medical devices, thus offering employment opportunities for aspiring microbiologists.

Both lectures were followed by intense interactive sessions and the resource persons answered many queries with regards to job profile, working hours, and salary packets in their respective field of work. The webinar ended with sincere vote of thanks and feedback link was shared.

International Girl Child Day 2021 on the theme 'Digital Generation Our Generation' -
'Protection of girl child under the prevailing cyber laws in India: A sociolegal discussion'

Date: 07.10.2021

Women's Cell and IQAC of Raidighi College organized one eye-opening session for our girl students on 7th October 2021 through virtual mode.

The event started with inaugural song by Sathi Ghosh from the department of Food and Nutrition. Welcome address was given by the convener, Women's Cell Dr. Payel Ghosh. She thanked all the supporting members of the organizing team and participants from nearby schools. She explained the history and importance of the day and shared this year's theme. The event was coordinated by Dr. Jahan Ali Purkait. The Principal Dr. Sasabindu Jana emphasized on the importance of digital literacy of all users specially our girl students. IQAC Coordinator Dr. Sisir Chatterjee and Convener of Minority Cell Dr. Jahan Ali Purkait also shared their views on the utility of cyber laws in India in current social and economic scenario. Head master of nearby Kashinagar High School Mr Chandan Maiti narrated present horrible social situation of the school girl students. Senior faculty Mrs Supriti Sarkar also expressed her concerns regarding the ignorance of cyber users and frivolity of heinous crimes happening in internet in recent times.

Students from the department of Education performed one short drama to aware other participants of one such likely event. The drama was directed by semester VI student Shrabani Purkait. Other characters were played by Sudipto Mudi, Moyna Pramanik and Munmun Halder. Ananya Tewari presented one splendid recitation to the participants.

In the next session resource person Dr. Sunanda Goyenka, Principal, JCC Law College, Kolkata enlightened the participants on 'Protection of girl child under the prevailing cyber laws in India: A sociolegal discussion'. In step by step manner she narrated the measures and procedures to be followed in case of some forms of cyber crimes and probable compensations and remedies achievable. Vote of thanks was delivered by Deputy Convener, Women's Cell Begam Naziya Sultana. It was a memorable experience for all the participants!!

MANAV

Project **MANAV** is a citizen science project by the Department of Biotechnology (DBT), Government of India. Co-funded by Persistent Systems Limited (PSL) and implemented through National Centre of Cell Science (NCCS), Indian Institute of Science, Education and Research (IISER) and PSL, Pune. This initiative aims to develop a proof-of-concept for constructing a biological map of the human body, by capturing and collating macro to micro-level data and knowledge available in the scientific literature and other domains. Further insights to the project are available on Manav website at <https://manav.gov.in/>.

E-mail: manav.iiserpune@gmail.com

MANAV: PHASE 1

As faculty coordinator, Dr. Arunima Biswas of Raidighi College successfully participated in "**MANAV Scientific Reading and Comprehension Self-Assessment Module** (for students)", in Microbiology, conducted by the Project MANAV – The Human Atlas Initiative [DBT, NCCS, IISER Pune, Persistent], with 11 students from the Dept.

Phone No. 9735340005

Website – www.raidighicollege.in

Email –principal.raidighi@gmail.com, raidighicollege95@gmail.com

Objectives of the Project

- Creation of a human atlas by assimilating all available macro and micro level information from scientific literature and public database .
- UpSkilling of Students (Imparting enhanced scientific comprehension abilities & Biocuration Skills)
- Identification of the real gaps in current biological knowledge and areas in which future experiments can be focused to create a complete and accurate representation of human biology

Importance of Reading Scientific Literature

Scientific reading is important for students as it:

- Helps the students understand the process of science
- Improves critical thinking abilities and knowledge about scientific facts.
- It enables students to design experiments, find solutions for a particular problem and learn/apply new methods/techniques/analysis in research projects
- Inspires student to pursue research as a career option

Manav aims to initiate students to Scientific Reading through -
Manav Scientific Reading & Comprehension Self-assessment Module

MANAV: Scientific Reading & Comprehension Self-assessment Module

Purpose of this module

- It will help students to self evaluate their ability to approach as well as comprehend scientific literature and identify areas that need improvement.
- It aims to train students towards an efficient reading of scientific research papers and hence enhances their preparedness to contribute towards the building of Manav - The Human Atlas Platform.
- The MANAV Human Atlas Initiative will pool this information that is received from thousands of contributors to develop, evaluate and validate the Manav platform.
- This module aims to collect general information on scientific reading practices and challenges faced by Indian Students

Mentoring & Orientation for the "MANAV Scientific Reading and Comprehension Self-Assessment Module (for students)", conducted by Project MANAV- The Human Atlas Initiative.

Mentor: Dr. A. Biswas

Objective of mentoring session 2: As faculty coordinator, my aim was to mentor selected students to read and critically evaluate two assigned scientific papers from peer reviewed journals from the field of Microbiology so that they could self assess their skills in scientific comprehension of

1. Research Design
2. Pictorial/Graphical Representation of Data
3. Statistical Analyses
4. Scientific text- Inference and Conclusion.

All 10 selected student participants were present. Principal Sir Dr. Sasabindu Jana also joined the session for a short while to motivate the students.

Certificate of Appreciation

Is presented to

Dr. Arunima Biswas

Raidighi College

For participating as a Faculty Coordinator for the "MANAV Scientific Reading and Comprehension Self-Assessment Module (for students)", conducted by Project MANAV– The Human Atlas Initiative in September to October 2021.

The students under your mentorship, read and critically evaluated two scientific papers from peer reviewed journals from the field of *Microbiology/ Biochemistry / Pharmacy*.

They were able to self assess their skills in scientific comprehension of

1. Research Design
2. Pictorial/Graphical Representation of Data
3. Statistical Analyses
4. Scientific text- Inference and Conclusion

Your mentorship helped students take a step ahead towards the honing their scientific temper, critical thinking skills and overall academic excellence .

We appreciate your efforts towards facilitation of this program and look forward to your continued engagement with Project MANAV.

Best wishes,

MANAV: PHASE 2

MANAV - Faculty Level Survey

What is it about?

It aims to collate teacher's general opinions on students' reading habits, capabilities, and challenges pertaining to reading scientific literature. We would also like to know about the challenges that teachers faced and the strategies they adopted for teaching science in an online mode during the pandemic.

The survey has following sections:

SECTION I - Personal Details

SECTION II – Teacher's evaluation of students' scientific reading habits and the infrastructure available at their institution to facilitate the same

Section III - Teaching Science in an online mode

MANAV Human Atlas Initiative will use your evaluations with those received from thousands of other participants to further develop the evaluation and annotation systems being created for the MANAV Human Atlas Platform.

PS: The Manav Platform 1.0 is being opened via "Invitation to access" to a set of chosen users in a sequential manner.

Your participation will be greatly appreciated.

Meeting Resolution

Resolution Adopted:

01. The Covid-19 pandemic has had a detrimental effect on the labour market worldwide, causing many individuals to lose their jobs and business to close. After the Covid-19 situation came under control, college was opened on 16th November 2021, the weakness of our students unfolded before us. They were scared to answer to the questions asked. We decided to ignite their minds and regenerate their enthusiasm.
02. It is resolved to conduct a certificate course on Communicative English and Personality Development to enhance the spirit among the students.
03. It is also decided that Mr. Bidyut Saha and Mr. Debashis Biswas would function as co-ordinator and joint coordinator.
04. For personality development part of the course, Dr. Amitava Moitra would act as a mentor.
05. It is to be a certificate course of minimum 30 hrs. and it is to be conducted under the Department of English.
06. No additional charges will be taken from enrolled candidates.
07. Students interested from any departments irrespective of streams (Science & Humanities) can be offered to enrol for the course.

Bidyut Saha
16/11/21

Debashis Biswas
16/11/21.

Principal

NSS Meeting Resolution

- ① After the Covid-19 situation it seems deemed important to reignite the enthusiasm of students, particularly we need to strengthen our students' mental health.
- ② In parallel to the core curriculum, we might need to conduct a course on Value Education, "Ethics & Applied Spirituality".
- ③ For this course, the Course Coordinator and Jt. Course Coordinator would be Dr. A. Mohan & Dr. B. G. R. Chowdhury respectively.
- ④ The course should be a "Certificate" type course of minimum 30 hrs.
- ⑤ At this time no additional 'fee' or 'charge' being asked from them.
- ⑥ This course can be offered to all students irrespective of whether NSS-volunteers or not even current student or ex-student.

Concluding session, life learnings, applications

Date: 17/11/21

- ① After the covid-19 situation, most of the students insecure about their physical and mental health. So, we need to support our students physically and mentally.
- ② In parallel to the co-curricular activity, we might need to conduct a course on Yoga, Mental strength and Health Care.
- ③ For this course coordinator and joint coordinator Swarup Kumar Purkait and Asim Panda respectively.
- ④ For this course no additional fee or charge being asked from the students.
- ⑤ The course should be a "Certificate" type course of minimum 40 hours, and the class would be conduct on Tuesday and Friday.
- ⑥ Immediate we should start registration from 18/11/21 to 20/11/21 and class should be start on 23/11/21

A REPORT ON WORLD MENTAL HEALTH DAY OBSERVED BY RAIDIGHI COLLEGE-IQAC & STUDENT'S WELFARE AND SERVICES COMMITTEE ON 10TH OCTOBER 2021

From 15th March 2020 following the Government guidelines all academic institutions were closed due to lockdown as a preventive measure against the Covid -19 pandemic in India.

On 10th October 2021 World Mental Day was observed by Raidighi College-IQAC jointly with the Student's Welfare and Services Committee by inviting Dr Anjan Chaudhuri of Bangur Institute to discuss the mental health status of students, teaching and non-teaching staff members of the college to cope with fear, anxiety, stress and loss around Covid 19.

It was an online session so students and the teaching fraternity actively participated in this seminar and reaped the benefits of the knowledge disseminated by Dr Chaudhuri.

In the end, the online participation certificate was given to all who attended the program.

We were highly grateful to Dr Chaudhuri for giving his valuable time to our college students and teachers and addressing our queries. His words came as a great relief to all the home-bound participants.

WORLD MENTAL HEALTH DAY

Observed by
Students' Welfare and Services Committee & IQAC,
Raidighi College

On
10th OCTOBER 2021 (SUNDAY)
Time: 10:30 am to 12:30 pm

Invited Speaker: Dr Anjan Chaudhuri, Medical Officer Neuro
ICU, Bangur Institute of Neurosciences, SSKM Hospital

Google Meet Link: <https://meet.google.com/fzf-oizq-ggt>

STUDENTS' WELFARE AND SERVICES COMMITTEE & IQAC, RAIDIGHI COLLEGE

observes

World Mental Health Day on 10th October, 2021

Time: 10:30 am to 12:30 pm

Google Meet Link: <https://meet.google.com/fzf-oizq-ggt>

Programme Schedule

10:35 am	Welcome Address: Dr. Arvinda Shaw, Convener, Students' Welfare & Services Committee (SWSC)
10:40 am	Speech by Principal, Raidighi College: Dr. Sasabindu Jana
10:45 am	Speech by IQAC Coordinator, Raidighi College Dr. Sisir Chatterjee
10:50 am	Introduction of the Resource Person: Prof. Bidyut Saha, senior member SWSC
11:00 am	Lecture by Invited Speaker: Dr. Anjan Chaudhuri, Medical Officer Neuro ICU, Bangur Institute of Neurosciences, SSKM Hospital
11:45 am	Interactive Session: Prof. Asim Panda, senior member SWSC
11:55 am	"Digital Mental Health Test"-Talk by TCS, Prof. Uttam Roy Mandal
12.15pm	Vote of thanks: Prof. Swarup Kumar Purkait, Deputy Convener, Students' Welfare & Services Committee

Fermented Food Festival_21st April 2022

Department of Microbiology and MSI Student Unit
Raidighi College
Organize

Fermented Food Fest
On 21.04.22
From 1pm-2pm
Venue: Department of Microbiology

Fermented Food Festival was organized by the Department of Microbiology and Microbiologists Society Student Unit on 21st April, 2022 from 1pm to 2pm at the department of Microbiology, Raidighi College. The event informed attendees about the benefits and recipes of fermented foods. Both MSI student unit members and non-members participated in the presentations, showcasing a college-wide interest in fermented foods. Parameshwar Sardar, Afjal Hossen Khan, Provati Gayen, Parboti Gayen, Chayan Mondal, Riya Mandal, Sayani Santua, Anup Kumar Mondal, Priyanka Giri and Pallabi Das presented on different fermented foods. A mix of posters and presentations likely catered to different learning styles and kept the audience engaged. The presence of faculty members from various departments like Microbiology, Food and Nutrition, Botany, Zoology, History and others, signifies everyone's support for the event and student initiatives. With 50 students and 10 faculty members, the festival had a decent turnout.

The two National Service Scheme (NSS) units of Raidighi College i.e. NSS Unit I and Unit II organized a joint seminar and workshop in commemoration of International Yoga Day On 21st June 2022.

Physical Instructor of Raidighi College, Mr. Kamal Krishna Khanra, actively led the session by demonstrating various yoga postures. He didn't just show them, but also explained the individual benefits of each pose. This practical approach likely helped students understand the connection between specific postures and the physical improvements they bring. Mr. Khanra specifically highlighted the positive impact of yoga on physical health. He focused on three key areas: flexibility, strength, and overall well-being. This emphasis gave students a clear idea of what physical improvements they might expect from practicing yoga.

NSS Unit I Program Officer, Dr. Amitava Moitra, didn't just talk about the benefits of yoga, he delved into its history. This approach adds context and depth to the practice, showing it's not just a modern exercise routine but an ancient tradition. He specifically drew connections to the Vedic period, considered the foundation of Hinduism and a time when yoga practices originated. This connection highlights the long-standing significance of yoga in Indian culture.

Dr. Suvankar Ghosh Roy Choudhury, Program Officer of NSS Unit II, focused on the mental health aspect of yoga. He discussed the potential of yoga to reduce these common mental health struggles. This emphasizes yoga's role in managing negative emotions and promoting emotional well-being. Dr. Roy Choudhury went beyond just reducing negative emotions. He highlighted the potential of yoga to cultivate positive mental states like inner peace and calmness. That painted a well-rounded picture of how yoga can improve mental well-being.

Over 80 students and volunteers participated in the event, actively engaging in learning about the benefits of yoga for both physical and mental well-being.

The event provided a valuable platform for students to learn about the various benefits of yoga, both physical and mental, as discussed by the different speakers. Interactive sessions allowed students to gain practical experience with yoga postures and techniques, making the learning more tangible. The event went beyond simply celebrating International Yoga Day. It aimed to instill a deeper appreciation for yoga as an ancient practice with lasting benefits. Ultimately, the event aimed to empower participants to use yoga to improve their overall health and well-being, encompassing both physical and mental aspects.

Invited members were 23 students of Class XII Science group and two teachers (Biology: Prasenjit babu and Chemistry: Sourav babu) from Raidighi Srifaltala Chandrakanta High School. Program was coordinated by honorable Joint Convener AC, Prof. Bidyut Saha and IQAC member Dr. Suvankar Ghosh Roy Chowdhury. Other internal members were honorable TCS and GB member Dr. Sudhin Sinha, HOD Food and Nutrition Arvinda Shaw, HOD Physics Dr. Amitava Moitra and Microbiology faculty members and students (semester I, III and V). Importance of Microbiology as a subject and role of MSI was explained by Dr. Arunima Biswas, State Coordinator, MSI WB Unit. Career scope and job opportunities in Microbiology were presented by Mr. Prabir Sahoo. Departmental vision, mission and activities were presented by Dr. Shakuntala Ghorai. Other members also shared their thoughtful suggestions and words. After the inaugural session students visited the departmental laboratory where faculties demonstrated some instruments like laminar air flow, autoclave, B.O.D. shaker incubator, DNA gel electrophoresis apparatus, UV-Visible spectrophotometer, colorimeter, trans-illuminator, fine balance, centrifuge etc. They checked some permanent slides of spirogyra, paramecium and filamentous fungi etc. They had hands-on experience of gram staining. The invited members also shared their experience of the program through a feedback form. The program continued for 4 hours (12noon to 4pm).

Vivek Yapan (National Youth Day) 2023 by NSS Unit I and Unit II

NSS Unit I and II of Raidighi College organized Vivek Yapan to commemorate National Youth Day on 9th January 2023. The event started from 10am onwards in Hall 1 of Swami Vivekananda Bhawan. Swami Ishteshanandaji Maharaj from Ramakrishna Mission Vidyalaya, Narendrapur was our esteemed guest to enlighten the participants. Ishteshanandaji Maharaj outlined the ideas and philosophy of Swami Vivekananda in a very lucid and storytelling manner to the students. He narrated small events of Swamiji's life and portrayed different shades of this Godly figure, as a humanist, as Vedantist and as a Universalist. He reinforced Swami's words which emphasized **purity, patience, and perseverance** as key human qualities to overcome challenges and achieve success which suggested maintaining integrity, staying focused, and working persistently in the face of difficulties. He also highlighted Swamiji's saying of having **faith, both in oneself and in a higher power**, as the "secret of greatness." He persuaded students to believe in one's own abilities and having a sense of purpose or trust in a divine force can be a powerful motivator for success. The event was coordinated by NSS program officers Dr. Amitava Moitra and Dr. Suvankar Ghosh Roychowdhury and was presided by Dr. Sudhin Sinha, Secretary, Teachers' Council.

How to make a career in Microbiology?

- **B.Sc degree in Microbiology** gives you the opportunity to work at
 - 1) Science laboratories as laboratory assistant
 - 2) and in pathological lab or health care sector
- **M.Sc degree in Microbiology** can give you work
 - 1) As teacher, Research scientist in several Govt, Private and non profit organization
 - 2) Microbiology based industries like pharmaceutical industries, food and dairy, breweries, distilleries or agro industries as lead scientist, principal investigator of project or laboratory manager
- After **M.Sc degree** can join teaching at colleges and Universities. They can also take up a post-doctoral research or research scientist position

Life Sciences Sector Skill Development Council (LSSSDC)

LSSSDC is a Non profit, Non-statutory certification Body under mandate of Ministry of Skill Development and Entrepreneurship

Their main goal is "Industrial demand led vocational education and skill development" in Life Sciences Sector in India and make India a Skill Capital of the World for life sciences sector.
