

Report on Dr. Arunima Biswas's Felicitation and Presentation at THK Jain College

Date: 17th May 2024

Venue: THK Jain College, Kolkata

Dr. Arunima Biswas, a distinguished faculty member of the Microbiology Department and NAAC Coordinator at Raidighi College, was felicitated and served as one of the Resource Persons at the **One Day Special Lecture Series** organized by THK Jain College, Kolkata, on May 17, 2024.

Key Highlights of the Event

The lecture series brought together scholars and educators to discuss and share their expertise in various fields of academia. Dr. Biswas, known for her extensive knowledge and dedication to microbiology and academic excellence, delivered a presentation that garnered widespread appreciation.

Her lecture covered critical aspects of microbiological research and its applications, underscoring the importance of interdisciplinary approaches in modern scientific studies. She also emphasized the role of innovative teaching and quality assurance in higher education, reflecting her contributions as the NAAC Coordinator at Raidighi College.

Felicitation Ceremony

Dr. Biswas was honored during the event for her notable achievements in academia and her significant contributions to the field of microbiology. The organizers recognized her commitment to fostering academic excellence and her proactive efforts in community engagement and quality assurance initiatives.

Impact and Appreciation

The audience, comprising faculty members, students, and invited guests, was highly impressed by Dr. Biswas's eloquent delivery and the depth of her insights. Her participation as a Resource Person enriched the lecture series, inspiring attendees to pursue academic and research endeavors with renewed vigor.

Conclusion

The felicitation and presentation of Dr. Arunima Biswas at THK Jain College highlighted her outstanding contributions to academics and research. Her active involvement in such prestigious events not only enhances her professional standing but also brings recognition and pride to Raidighi College. Her work continues to inspire students and educators alike to strive for excellence and innovation in their respective fields.
