

Report on Intercollege State Games and Sports Championship 2025

Raidighi College proudly participated in the Intercollege State Games and Sports Championship organized by the Education Directorate of the Government of West Bengal. The event was held at Fakir Chand College on the 5th of February, 2025. It was an excellent opportunity for our students to showcase their athletic abilities and sportsmanship on a competitive platform.

A contingent of nearly twenty boys and girls from our college took part in various track and field events. The competition featured several athletic categories, including 100m, 200m, 400m, 800m, and 1500m races, along with field events such as javelin throw, shot put, high jump, long jump, and discus throw. These events provided a well-rounded challenge for all participating athletes, testing their speed, endurance, strength, and agility.

Under the guidance of our dedicated trainers and sports coordinators, the participants underwent rigorous training sessions in preparation for the competition. Their hard work, commitment, and perseverance were evident in their performances during the event. Each participant displayed remarkable enthusiasm and sportsmanship, striving to put forth their best effort in every event they competed in.

Despite their dedication and spirited performance, our athletes were unable to secure any positions in the district-level competition. However, their participation itself was a significant achievement, as it provided them with invaluable experience and exposure to high-level athletic contests. Competing alongside talented athletes from various colleges across the state allowed them to identify areas for improvement and gain motivation for future competitions.

The experience gained from this championship will undoubtedly serve as a stepping stone for our students to enhance their skills and strive for better results in upcoming tournaments. The college administration, faculty, and fellow students extend their heartfelt appreciation and encouragement to all the participants for their commendable efforts and unwavering determination.

Raidighi College remains committed to promoting sports and physical fitness among students, ensuring they receive the necessary support and training to excel in future events. With continued practice and perseverance, we are confident that our athletes will achieve greater success in the years to come.
