

## **Report on Gender Equality Program at Raidighi College**

### **Introduction:**

Raidighi College observed a Gender Equality Program on August 29, aiming to raise awareness and foster discussions on the importance of gender equality in society. The event brought together esteemed speakers, faculty members, and students to engage in meaningful dialogue on this crucial issue.

### **Program Highlights:**

The program commenced with an inaugural speech by the IQAC Coordinator, Dr. Sisir Chatterjee. In his address, Dr. Chatterjee emphasized the significance of gender equality in achieving a just and inclusive society. Altogether there were 58 participants in this program.

### **Resource Persons and Discussions:**

The event featured two distinguished resource persons: Smt. Shampa Roy and Smt. Amrita Roy. Both speakers provided multiple perspectives on gender equality, discussing various social, economic, and cultural dimensions. Their presentations highlighted challenges, solutions, and the role of education in promoting gender parity.

### **Program Coordination:**

The entire program was conducted by Dr. Payel Ghosh, who ensured smooth transitions between sessions and facilitated an engaging discussion. The event successfully created an interactive platform for participants to share insights and reflect on their roles in fostering equality.

### **Conclusion:**

The Gender Equality Program at Raidighi College was an enriching experience for all attendees. The discussions emphasized the need for continuous efforts towards gender balance and encouraged students to be proactive in advocating for equality. Such initiatives play a crucial role in shaping a more inclusive and equitable society.
