

Report on Participation in Golden Jubilee Celebration of West Bengal Pollution Control Board and International Environment Day-2024

Date: 15/06/2024

Venue: Biswa Bangla Convention Centre, Kolkata

The **Department of Geography** from **Raidighi College** represented the institution at the **Golden Jubilee Celebration of the West Bengal Pollution Control Board** and the **International Environment Day-2024** held at the **Biswa Bangla Convention Centre, Kolkata**.

The event, which focused on environmental conservation and sustainable practices, was attended by experts, environmentalists, and academicians from various institutions. The **chief guest** for the occasion was **Prof. Sugata Basu**, a prominent figure in the field of environmental science, who delivered an insightful address on the current state of environmental challenges and the urgent need for collective action to mitigate pollution and protect ecosystems.

Raidighi College's participation was marked by a strong representation from the **Geography Department**, highlighting the college's commitment to fostering environmental awareness and sustainability. Faculty members and students from the department actively engaged in the discussions and presentations, reflecting their ongoing efforts to promote environmental studies and practices within and outside the college community.

The event also included various sessions on pollution control, climate change, and the role of educational institutions in environmental protection. It served as an excellent platform for networking and exchanging ideas on how to address the pressing environmental issues faced by the state and the world.

The celebration concluded with a renewed commitment from all participants to work together towards a cleaner, greener, and more sustainable future.
