

## **Report on International Mother Language Day Celebration at Raidighi College**

The Bengali Department of Raidighi College celebrated International Mother Language Day on 21st February 2025 with great enthusiasm and participation. This vibrant event was attended by nearly thirty participants, including both teachers and students, marking a significant occasion to promote linguistic diversity and the importance of preserving one's native tongue.

The program began with a brief inaugural speech delivered by Dr. Sudhin Sinha, the Teachers' Council Secretary. He welcomed the gathering and highlighted the significance of the day in the context of global recognition for the preservation and promotion of mother languages. Following his speech, Prof. Uttam Roy Mondal, the IQAC coordinator, took the stage to express his thoughts on the role of language in shaping cultural identities and fostering communication among people of diverse backgrounds.

The heart of the program was filled with performances that beautifully reflected the cultural essence of Bengal. The participants presented several **Rabindra Nitya** (Rabindra Sangeet), a collection of Tagore's songs that evoke deep emotional resonance, along with some moving recitations. These performances not only paid tribute to the legacy of Rabindranath Tagore but also resonated with the theme of the day, emphasizing the power of language to connect generations and express the richness of human experiences.

The program concluded with an inspiring speech from the Principal of the college, Dr. Sasaindu Jana. Dr. Jana's address was a fitting end to the celebration, in which he reflected on the importance of multilingualism in an increasingly interconnected world. He also urged everyone to preserve their cultural and linguistic heritage while embracing the beauty of diverse languages.

The celebration of International Mother Language Day at Raidighi College was a memorable occasion, fostering a deeper appreciation for linguistic diversity and the role of language in preserving cultural identity. The event provided a platform for both students and faculty to come together in celebration, making it an enriching experience for all involved.
