

## Observance of National Librarians Day

**Date:** 12th August 2024

**Venue:** Raidighi College Library

**Participants:** 10 Members (Due to Weather Conditions)

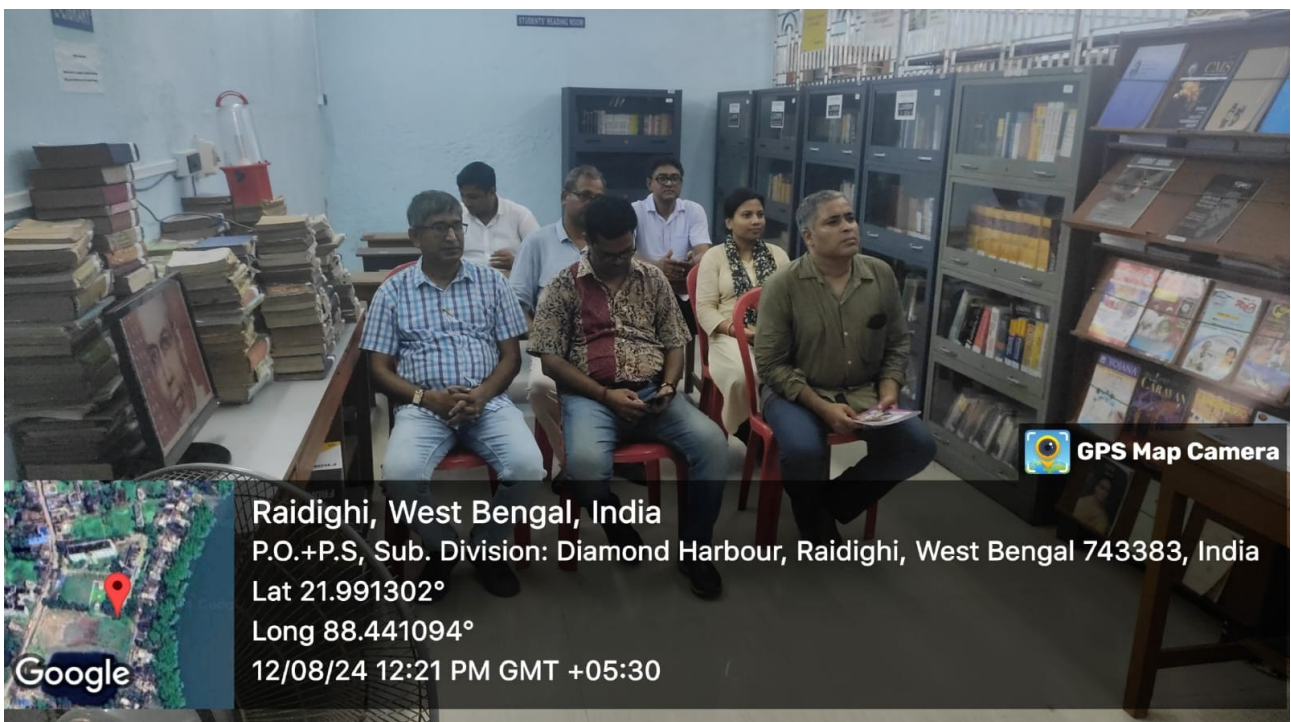

### Event Highlights:

Due to inclement weather, only ten members could participate in the National Librarians Day observance at Raidighi College Library on 12th August 2024. Despite the limited attendance, the event was meaningful and insightful.

- **Address by the Librarian:** The college librarian spoke about the importance of libraries in academic and personal growth. He emphasized the significance of both physical books and digital resources, ensuring students and faculty have access to a diverse range of study materials.
- **Discussion on Library Resources:** The librarian detailed the various hard copy and e-copy resources available, highlighting their accessibility and the importance of utilizing these materials for research and learning.
- **Q&A Session:** Participants engaged in a discussion about library facilities and the future expansion of digital resources to accommodate a wider audience.

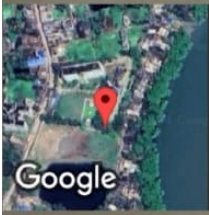

### Conclusion:

Despite the adverse weather, the observance of National Librarians Day successfully highlighted the critical role of libraries in education. The event reinforced the value of knowledge-sharing and the need for continuous engagement with library resources. The college aims to organize similar initiatives in the future to further promote library awareness and literacy among students and faculty.
