

## **Report on Participation in Green Architects Career Fair and Hulladek Honour**

**Date: 15th March 2024**

**Time: 9:00 AM onwards**

**Venue: Dhano Dhanyo Auditorium, Kolkata**

In response to an invitation from Hulladek Recycling Pvt. Ltd., Dr. Madhumita Majumder and Dr. Payel Ghosh, members of the Green Club of Raidighi College, participated as esteemed guests in the *Green Architects Career Fair* and *Hulladek Honour* event held on March 15, 2024, at the Dhano Dhanyo Auditorium, Kolkata.

### **Highlights of the Event**

The event aimed to promote sustainable practices and career opportunities in environmental management, bringing together experts, educators, and aspiring professionals in the field of green technology and sustainability.

Dr. Madhumita Majumder and Dr. Payel Ghosh represented Raidighi College at the event, showcasing the institution's commitment to environmental sustainability and education. They actively participated in discussions, sharing insights on integrating sustainable practices into academics and community outreach initiatives.

### **Key Activities**

- **Career Fair:** The event provided a platform for students and young professionals to explore opportunities in green architecture, waste management, and other sustainability-focused careers.
- **Panel Discussions:** Experts from various sectors discussed the role of innovative technologies and education in addressing environmental challenges. Dr. Majumder and Dr. Ghosh contributed valuable perspectives during these discussions.
- **Hulladek Honour Ceremony:** The ceremony recognized organizations and individuals for their outstanding contributions to environmental conservation and sustainable development.

### **Impact and Takeaways**

Participation in the event allowed Raidighi College to strengthen its association with Hulladek Recycling Pvt. Ltd. and other stakeholders in the field of sustainability. It also reinforced the Green Club's mission to advocate for eco-friendly practices within the college and its surrounding community.

The event concluded with a renewed commitment from all attendees to work collaboratively toward a greener and more sustainable future. Dr. Madhumita Majumder and Dr. Payel Ghosh's active involvement highlighted the pivotal role of education in driving positive environmental change.
