

World Science Day for Peace and Development

10th November, 2021

Intra-College Slogan Writing Competition organized by
Department of Microbiology & IQAC of Raidighi College

~ An extension activity to spread community awareness

Celebrated every 10th November, "World Science Day for Peace and Development" highlights the significant role of science in society and the need to engage the wider public in discussions on emerging scientific issues. The year 2021 marks 20th edition of World Science Day for Peace and Development. With climate change becoming a serious threat to the lives of billions of people and the planet, UN will highlight this year the importance of "Building Climate-Ready Communities". The objective is to bring science closer to society by highlighting some key scientific aspects and possible solutions provided by science technology and innovation to some of the major global challenges society is facing today, for example, climate change and its solutions.

As instructed by Principal, Dr. Sasabindu Jana, Dept. of Microbiology and IQAC organised intra-college online slogan writing competition for all students of Science stream to spread awareness in our local community about this very relevant issue. Dr. Sisir Chatterjee, IQAC Coordinator and Associate Professor of Geography, acted as an impartial judge.

ONLINE STUDENT COMPETITION
on
SLOGAN WRITING
organized by
Department of Microbiology & IQAC of Raidighi College
To observe
World Science Day for Peace and Development,
10th November, 2021

Event Theme: Building Climate-Ready Communities

Slogan Topic: Climate Solutions through Science, Technology & Innovation

All students of B.Sc. (Honours & General) stream of Raidighi College are welcome to participate. First 50 submissions will be considered.
Submission is strictly through given link: <https://forms.gle/1SZjhAPJrKNkJCSa7>

Please note~
