

# Executive Report on World Philosophy Day Celebration

**Date:** November 21, 2024

**Organized by:** Department of Philosophy, Raidighi College

**Initiative by:** Smt. Atasi Mondal, Head of the Department

## Overview:

On **November 21, 2024**, the **Philosophy Department of Raidighi College** successfully organized the celebration of **World Philosophy Day**, an event dedicated to exploring the richness of **Indian and Western philosophical traditions**. Under the initiative of **Smt. Atasi Mondal, Head of the Department**, this event aimed at fostering intellectual engagement and familiarizing faculty members with diverse philosophical perspectives.

## Key Highlights:

- **Inaugural Session:**
  - The event commenced with an introductory speech by **Smt. Atasi Mondal**, emphasizing the significance of philosophical inquiry in contemporary times.
  - Faculty members from different departments actively participated, reflecting on the interdisciplinary relevance of philosophy.
- **Discussion on Indian & Western Philosophies:**
  - Eminent scholars and faculty members elaborated on key themes from **Indian philosophy**, including Vedanta, Nyaya, and Buddhist traditions.
  - The discussion also extended to **Western philosophy**, covering influential ideas from Socrates, Kant, and modern existentialist thinkers.
- **Interactive Sessions:**
  - Engaging debates and discussions allowed participants to critically analyze philosophical concepts and their implications in today's world.
  - The event provided an open forum for sharing ideas, promoting analytical thinking among attendees.

## Conclusion:

The **World Philosophy Day** celebration at **Raidighi College** successfully fostered a deeper understanding of philosophical traditions and their relevance to modern academia. The initiative taken by **Smt. Atasi Mondal** was highly appreciated, and faculty members expressed enthusiasm for organizing similar intellectual discourses in the future. This event reaffirmed the college's commitment to **academic enrichment and interdisciplinary learning**, paving the way for more philosophical explorations in the coming years.
